## Marketing Description

*This widecut mower features a powerful Briggs & Stratton 190cc ReadyStart™ engine with a Rear Discharge Chute.*

## Specifications

- Briggs & Stratton 190cc OHV Series 875 ReadyStart™ engine
- ReadyStart™ - no priming required and easy starting
- 540mm (21") heavy duty aluminium non-rust chassis
- Front 200mm (8") and Rear 200mm (8") adjustable dual bearing wheels
- Comfortable upturned upper handle with soft grip
- Reinforced lower handle for added strength
- Camlocks for quick release handle fold down
- Rear Discharge Chute is designed for safe discharge of grass when mowing without a catcher.
- Masport Quadcut® 4 Blade Disc cutting system
- Cut, Catch, Mulch & Rear Discharge
- Zone start for comfortable starting position
- Double lined Fabric Catcher with Cover

## Product Features

- Mulching Capable
- Adjustable Wheel Bearings
- Zone Start
- Rear Discharge Chute

## Product Benefits

- Naturally recycle the grass by recutting it and feeding it back into your lawn.
- Ball bearing wheels make the mower easy to push and with a threaded axle and nut, the wheels are adjustable.
- The conveniently positioned starter cord eliminates the need to bend all the way down to pull-start, reducing the risk of back strain.
- Designed to work with Masport's effective high-arch mulching deck. The rear discharge chute distributes the grass out wide and spreads it more evenly.

## Additional Information
