Specifications

- Briggs & Stratton 190cc Series 850 ReadyStart™ IC engine
- 540mm (21") Alloy Chassis
- 200mm (8") Front and 220mm (9") Rear Adjustable Dual Bearing Wheels
- Masport Quadcut® Blade Disc System
- Upturned Upper Handle with Soft Grip
- Reinforced Lower Handle
- Aero Catcher - 65L capacity

Product Features

- ReadyStart™
- Masport Quadcut® Blade Disc System
- Self Propelled
- Mulching Option
- Zone Start
- Camlocks
- Mowzone

Product Benefits

- A system that automatically senses engine temperatures to deliver the right amount of fuel to the carburettor. Does not require priming or choking. Just pull for power!
- Masport Quadcut® Blade Disc System is great for catching due to increased air flow
- Let the mower do the work. This model is fitted with a self drive system, all you need to do is squeeze the handle
- Naturally recycle the grass by recutting it and feeding it back into your lawn
- The conveniently positioned starter cord eliminates the need to bend all the way down to pull-start, reducing the risk of back strain
- Camlocks for quick release handle fold down
- Mowzone means this mower cuts up to and over the edge on one side
