

## ALUMINIUM PRO self-propelled lawnmowers with aluminium deck

Lawnmowers with 51 cm deck, designed for professional use on lawn areas of more than 2000 m<sup>2</sup>, guaranteeing constantly high quality through time thanks to the technical solutions adopted: steel gearbox, aluminium wheels, steel front bumper and reinforced deck. The ergonomic two-piece handlebar allows for easy manoeuvring of the mower. The cutting height adjustment system (handy knob in an easily accessible central position) and the plastic and fabric grass catcher (with full bag indicator) are just two of the solutions adopted for the maximum convenience of the operator.
