## WHY ORIENT IRRIGATION SERVICES?

## INTRODUCTION

Orient Irrigation Services was established in 1977 with offices in Dubai, Abu Dhabi and Sharjah, with the view of using the limited local water resources to obtain maximum yields and results through modern and specialized technology.

## WIDE RANGE OF IRRIGATION PRODUCTS

Orient Irrigation supplies a wide range of irrigation products and materials for residential and commercial landscaping, golf courses, agriculture, nurseries and drip irrigation applications.

## QUALITY IRRIGATION PRODUCTS

Orient Irrigation is a Quality Oriented company supplying reliable and long lasting trouble free products.

## COMPETITIVE PRICES

Besides quality, Orient Irrigation supplies a full range of Irrigation products at competitive prices.

## STOCK AVAILABILITY

Orient Irrigation stock a large volume of Irrigation products made available immediately.

## PROFESSIONAL TECHNICAL SUPPORT

Orient Irrigation Services is the Authorized Service Center for RainBird, Weathermatic, Firestone and STF product range in the United Arab Emirates. Technical advice and support is available through their professional and experienced technical staff.

## PROFESSIONAL AFTER SALES SERVICES

Orient Irrigation Services offers the following after sales services:

- Warranty coverage against manufacturers defects.
- Delivery, Installation & Services of any faulty products.
- Repair and Maintenance.

## IRRIGATION DESIGN SERVICES

Orient Irrigation is the Authorized RainBird Design center in the Middle East and can Design, Correct and/or Modify all irrigation plans for any applications. Irrigation Designs, Specifications and Bill of Quantities are regularly provided to our clients, various consultants, municipalities and the private sector.
