

To measure the size of your wrist:

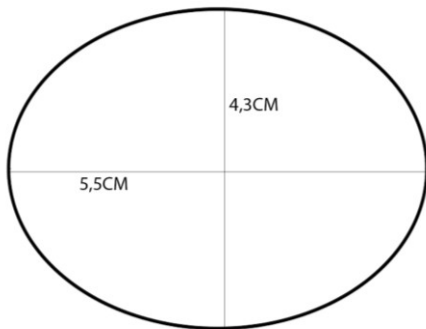

It is easiest to use a tape measure or a piece of tape to measure your wrist. Roll up the tape around your wrist and then check it on the size of the ruler.

The bracelet comes in three sizes:

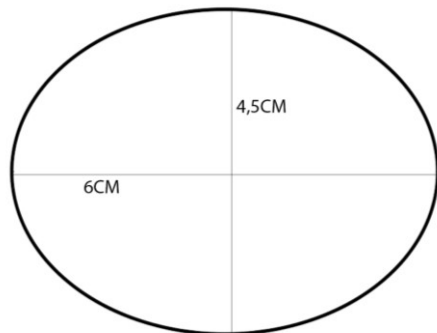

Size Small: Circumference 15.5 cm → 6.1 inches

Size Medium: Circumference 16.5cm → 6.5 inches

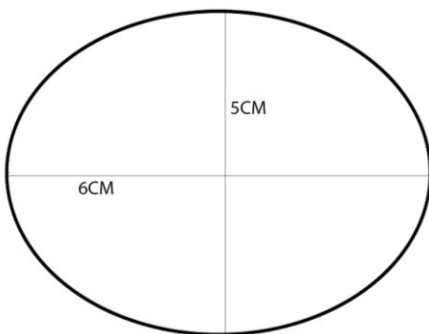

Size Large: Circumference 17.5cm → 6.9 inches

Size Small: 15.5cm → 6.1 inches

Size Medium: 16.5cm → 6.5 inches

Size Large: 17.5cm → 6.9 inches

Note that: The instrument of measurement provided offers information that can be incorrect.
