

A close-up, high-resolution photograph of a woman's face, focusing on her eyes, nose, and lips. Her skin is exceptionally smooth and has a natural-looking glow. She has light-colored eyes and is smiling slightly. The lighting is soft and even, highlighting the texture of her skin.

REVEAL YOUR RADIANCE

Actual DiamondGlow™ patient.

Uses

The DiamondGlow™ device is a general dermabrasion device that gently removes the top layer of skin and delivers topical cosmetic serums onto the skin.

Please see the back page for Important Safety Information and the SkinMedica® Pro-Infusion Serums disclaimer.

DIAMOND
GLOW™

MORE THAN A GLOW. A SKIN TRANSFORMATION.

Experience skin that feels and looks luminous, nourished, and renewed. A next-level skin resurfacing technology that does more than just skim the surface.

This powerful treatment simultaneously exfoliates, extracts, and infuses the skin with nourishing serums for results that last.

POST-TREATMENT, SKIN APPEARS:

Brighter
Fresher
Healthier
Smoother
Clearer, with unclogged pores
More even in tone

AND BEYOND THE TREATMENT, IMPROVED APPEARANCE OF:

Fine lines and wrinkles
Roughness and dryness
Dark spots and skin discoloration
Dull, congested skin

THE DIFFERENCE IS IN THE DIAMOND

Different diamond tips offer varying levels of exfoliation for a precise, even, and safe treatment. Your provider will choose the one that's right for you, based on your skin's needs. Paired with targeted SkinMedica® Pro-Infusion Serums, your treatment will be fully customized.

OUR SIGNATURE WAND. YOUR GLOWING SKIN.

The transformative power of DiamondGlow™ starts in our proprietary wand. Built with our innovative 3X1™ technology, the wand simultaneously exfoliates, extracts impurities, and infuses the skin with professional-grade SkinMedica® Pro-Infusion Serums, while pores are open and ready.

Your skin will feel replenished—and results are positively glowing.

3X1™ TECHNOLOGY IN ONE, SIMPLE STEP.

EXFOLIATION
Precise diamond tip
helps remove dry,
damaged skin

EXTRACTION
High-power suction
deep cleanses the skin
surface and pores

INFUSION
skin is prepped to
receive SkinMedica®
Pro-Infusion Serums
for professional-grade
results

DiamondGlow™ is noninvasive and treats the face,
around the eye area, lips, and body.

Actual DiamondGlow™ patient.

RADIANT RESULTS THAT LAST.

Just one DiamondGlow™ session enhances clarity and luminosity. You'll love your instantly dewy, brighter skin. But even better, you'll see continued improvement with each treatment.

Join our rewards program for these savings and more,
at BrilliantDistinctionsProgram.com

DIAMOND
GLOW™ / SKINMEDICA®

* While supplies last.

Offer Terms and Conditions:

Standard *Brilliant Distinctions*® program rules and conditions apply. For more information about the *Brilliant Distinctions*® Program, see BrilliantDistinctionsProgram.com.

Limit of one (1) rebate per member/purchase and one (1) redemption per rebate.

The SkinMedica® rebate is only valid for patients who received a DiamondGlow™ treatment and if member spends \$175 or more on a single SkinMedica® product (MSRP value). The rebate offer can only be redeemed within 48 hours of the treatment.

Allergan reserves the right to alter or cancel this offer at any time.

Important Safety Information

The DiamondGlow™ treatment is not for everyone. You should not have a DiamondGlow™ treatment if you have compromised skin quality. Tell your provider if you are pregnant or lactating, or if you have any medical conditions, including allergies, and if you are using topical medications on the area to be treated.

Typical side effects include a scratchy, stinging sensation during the treatment and temporary tightness, redness or slight swelling after the treatment. Rare serious side effects may also occur and include severe skin irritation and allergic reactions.

SkinMedica® Pro-Infusion Serums Disclaimer

SkinMedica® Pro-Infusion Serums are intended to meet the FDA's definition of a cosmetic product, an article applied to the human body to cleanse, beautify, promote attractiveness, and alter appearances. These products are not intended to be drugs that diagnose, treat, cure, or prevent any disease or condition.

These products have not been approved by the FDA and the statements have not been evaluated by the FDA.

Please talk to your provider for additional information.

CAUTION: Women should not use Retinol Complex if they are pregnant, lactating or planning to become pregnant.

Sunburn alert: The AHA/BHA Exfoliating Cleanser contains an alpha-hydroxy acid (AHA) that may increase the skin's sensitivity to the sun and particularly the possibility of sunburn. Patients should use a sunscreen, wear protective clothing and limit sun exposure while using these products and for a week following.

These SkinMedica® products are intended to meet the FDA's definition of a cosmetic product, an article applied to the human body to cleanse, beautify, promote attractiveness, and alter appearances. These SkinMedica® products are not intended to be drug products that diagnose, treat, cure, or prevent any disease or condition. These products have not been approved by the FDA, and the statements have not been evaluated by the FDA.

SkinMedica® Essential Defense Mineral Shield Broad Spectrum SPF 35/PA+++ Sunscreen is an over-the-counter drug product that is formulated and marketed pursuant to the FDA's governing regulations set forth at 21 CFR Part 352.

The PA rating system is used in Japan to classify UVA protection and is not an FDA requirement on sunscreens sold in the U.S.
