**Danz501 Competition** - Danz501 is not taking any new solos, trios or duets this year. We are accepting new group team members. Tryouts are required, no one is guaranteed a spot. Students must take one regular studio class of their choice as well as a minimum of a half year of ballet to participate. (If you only plan on only taking a half year of ballet, you must mail your registration form. Online registration will not work to pay for only a half year class) If you would like more information on Team competition we ask that you text Colleen directly for requirements at 660-8589.

**New!** Official team competition practices will begin in November with a meeting and try outs prior. (Top team and our HS kids will practice on Sundays like last year.) Tuition will still be billed out for the entire studio year. Know that team puts in many extra hours in and out of the classroom practicing and performing beyond the 45 min. class time. Comp never goes on stage until we are prepared and that can sometimes mean many extra hours.

- All previous students taking solos must make lesson payments directly to teachers and not the studio.

## Tuition Details

All tuition payments are due by the 10th of each month for 8 months to be put in the studio lobby payment box, or monthly automatic withdrawal from checking or savings is available. Statements are not mailed out, delinquent accounts are contacted. Accounts with a balance will not perform at recital.

Tuition is non-refundable\*\*, nor prorated. Should you discontinue lessons, you must notify us in writing and refund will be given for the months following the finished month of the notice if there is a credit on your account. There is a \$20.00 service charge for all returned checks. Accounts over a month past due will not be allowed to participate in class. \*\*Be sure to read our covid-19 policy found on our website.
