

5-in-1 All Seasons Buggy Cover

BlinkyWarm™

Instruction Manual

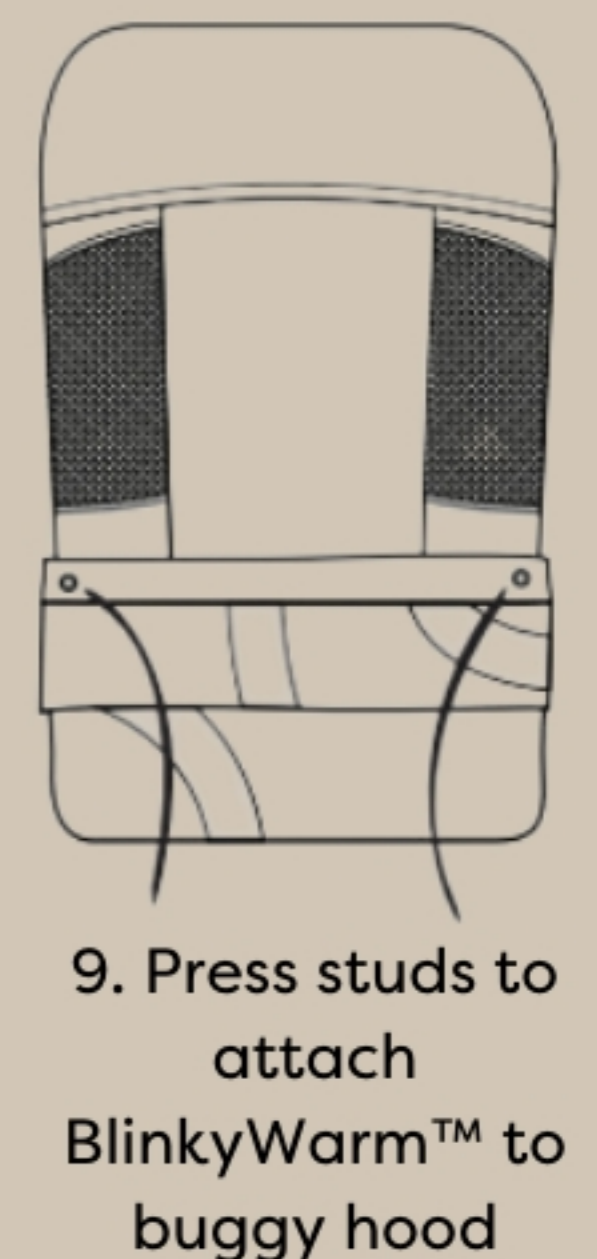

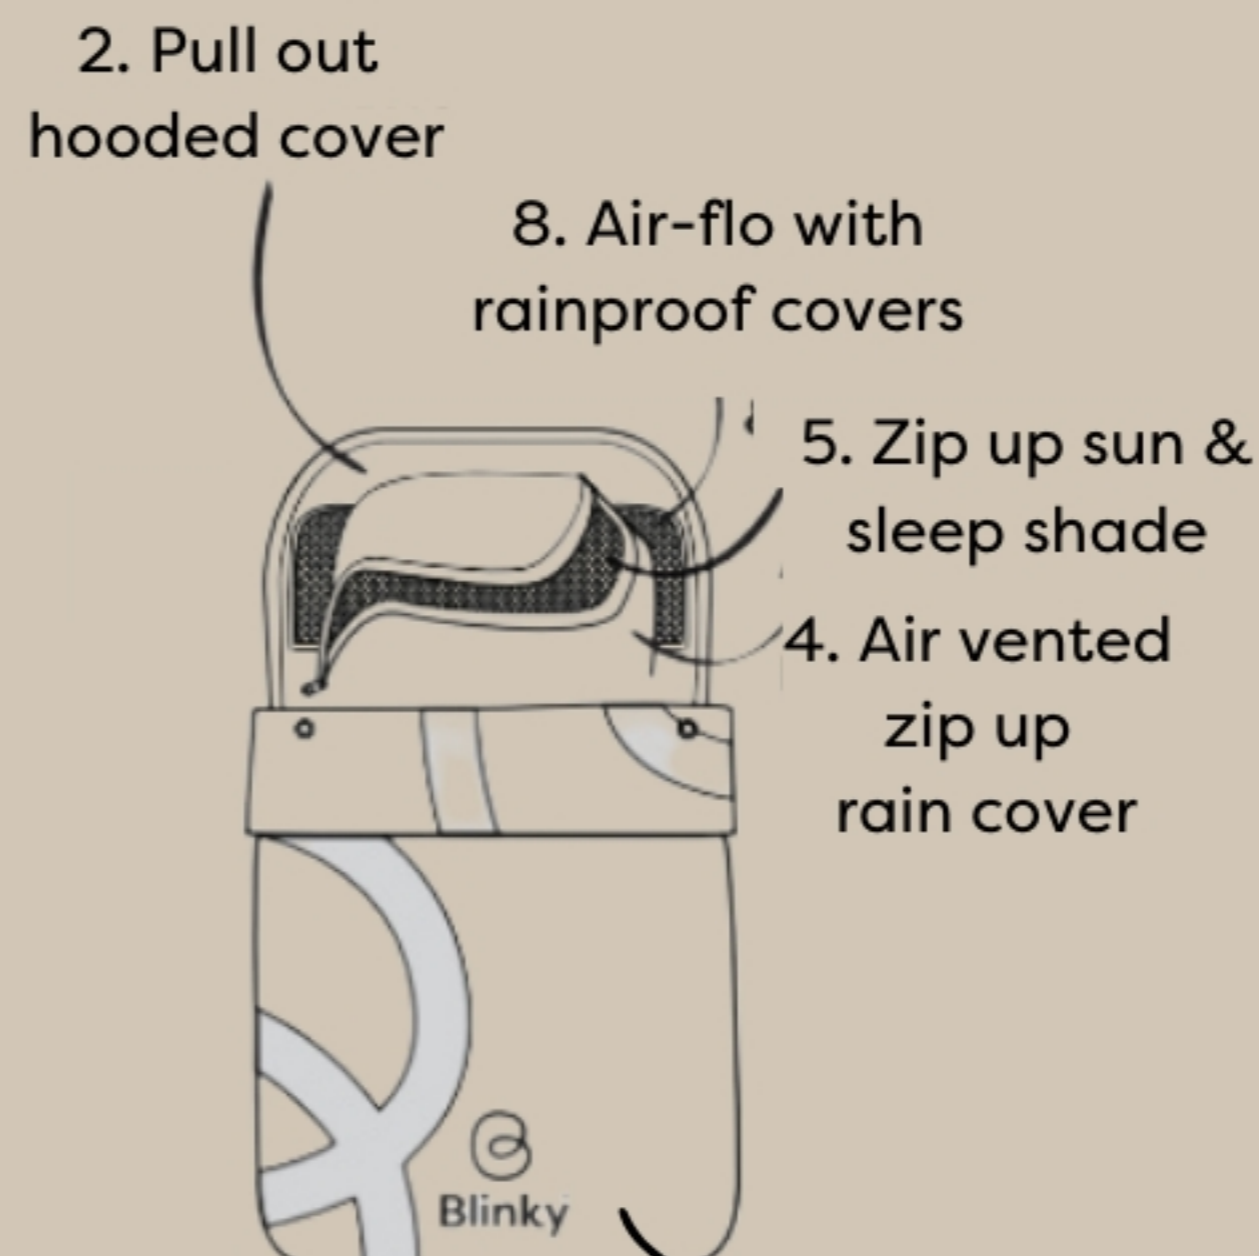

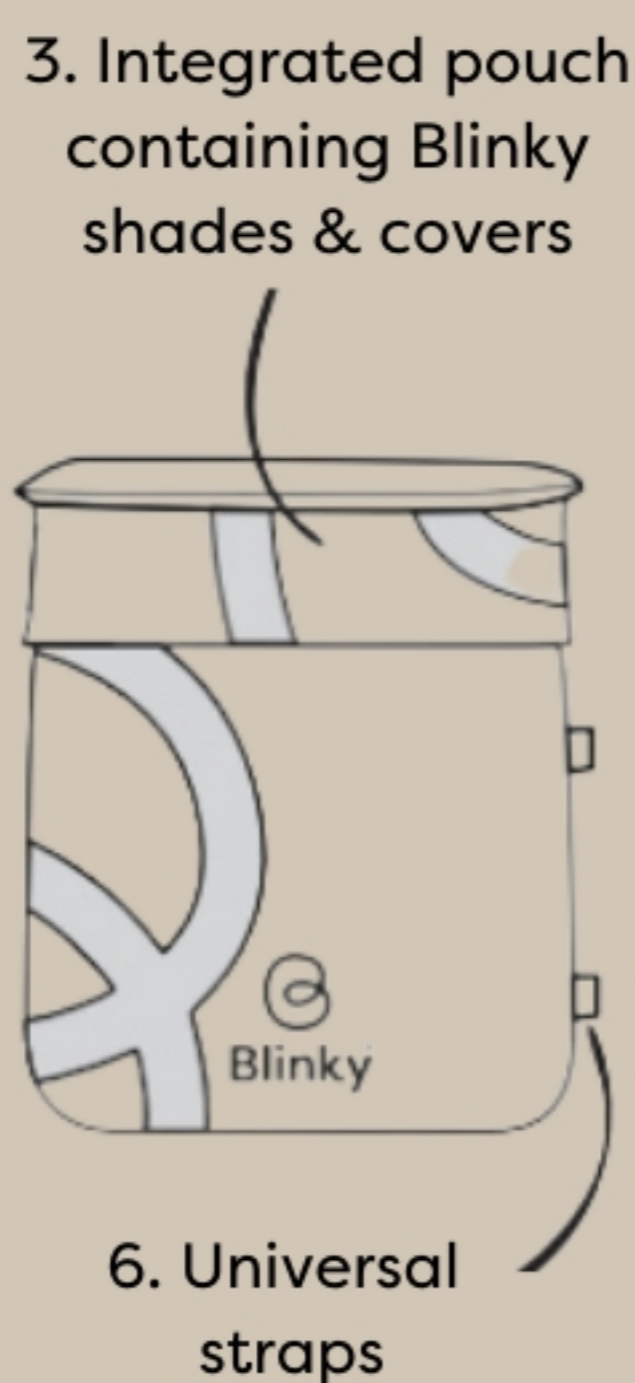

Thank you for purchasing your BlinkyWarm™. We would like to welcome you to the Blinky family, where we take pride in making clever products that are practical, sustainable, and multi-purpose - ensuring adventures out with your little ones are made a whole lot easier. Go outside, Grow outside...

PLEASE READ THE INSTRUCTIONS AND SAFETY INFORMATION BELOW CAREFULLY TO ENSURE CORRECT USE.

Bring your baby's comfort zone outside with our 5-in-1 All Seasons Buggy Cover. The BlinkyWarm™ consists of a cosy toes fleece underlayer, rain proof hood, sleep shade, air-flo system and sun shade with UV 50+ protection, all in one easy-fit cover. BlinkyWarm™ also has a reflective strip and logo for roadside safety. It contains everything you need for when you're out and about in the elements.

FEATURES LIST

1. Waterproof buggy cover with fleece underlayer
2. Hooded cover
3. Integrated storage pouch
4. Integrated rain cover
5. Integrated UV 50+ breathable sun and sleep shade
6. Universal straps for attaching the BlinkyWarm™ to a buggy/stroller
7. Reflective logo
8. Air-flo system
9. Press studs to attach BlinkyWarm™ to buggy hood

1. Waterproof buggy cover with fleece underlayer

USE

Ensure child is harnessed correctly in the buggy/stroller. The BlinkyWarm™ is NOT a harness device for a buggy/stroller.

The BlinkyWarm™ should be attached to the buggy/stroller* using both universal straps and buttons, fastened and tightened to the size of the according buggy/stroller.

To use the rain cover or breathable sun and sleep shade, unzip the integrated pouch under the fleece flap underlayer, pull out the entire BlinkyWarm™ and pull over buggy hood, then zip up the shade/cover required.

Roll down the unwanted shades and place inside the integrated pouch. Do not attempt to zip up the integrated pouch whilst hood and associated shade are in use.

Ensure that the double zip pull is at the top of the associated cover, so that the child can be easily checked, and additional air can circulate if required.

When the sun and sleep shade is in use, ensure that the Air-flo is fully exposed - this will allow more air to flow around the child as they sleep.

Ensure the child is checked every 15 minutes when shades are in use.

*please note that whilst the BlinkyWarm™ endeavours to fit onto the majority of single hooded buggies - there are some buggies which are not compatible. Please contact us for further guidance.

CLEANING

The BlinkyWarm™ is waterproof and wipe clean, but should it need further cleaning, the entire BlinkyWarm™ can be washed at 30°C on a delicate wash cycle, (this includes the reflective logo and rain cover).

- Ensure the temperature is no higher than 30°C as this will damage the rain cover.
- Place rain cover inside integrated pouch whilst washing for extra protection.
- Use a mild non-biological detergent when washing.
- To dry, lie flat with all covers out of the integrated pouch in a well ventilated area and out of direct sunlight.

GENERAL CARE

- The correct use and maintenance of the BlinkyWarm™ is essential
- Always wipe off any residual water or rain from the BlinkyWarm™ before rolling up and storing in the integrated pouch
- Always store the BlinkyWarm™ in a dry place
- The BlinkyWarm™ is not intended to replace a full waterproof rain cover in heavy rain, or to replace a sun shade in extreme heat. Should you find yourself in either of these conditions, it is recommended that the original suitable cover for the buggy/stroller is used

MAINTENANCE

Regularly inspect all parts of the BlinkyWarm™, ensuring that all elements are intact before each use of the product.

Do not use if any parts are broken or damaged.

Regularly inspect fabric and stitching to ensure no damage.

Do not use with accessories or replacement parts other than those supplied by the manufacturer. Failure to do so may invalidate your warranty,

NOT SUITABLE FOR TUMBLE DRYING

NOT SUITABLE FOR DRY CLEANING

DO NOT USE BLEACH OR FABRIC CONDITIONER

DO NOT IRON

DO NOT PLACE OVER RADIATOR

WARNING Your child's safety is your responsibility

WARNING Not suitable for children under 6 months old

WARNING Ensure the Air-Flo is fully exposed and that baby is checked every 15 minutes when the breathable sleep shade is in use

WARNING Never leave your baby unattended when the BlinkyWarm™ is in use

WARNING Ensure all covers are tucked away properly when not in use, and that the integrated pouch is fully zipped when the covers are not being used

WARNING Only every use one shade at a time

WARNING Not to be used as a blanket on a child in a cot, pram or any other device than a buggy/stroller

WARNING The BlinkyWarm™ is NOT a toy, and is not suitable for children to play with

WARNING Store the BlinkyWarm™ out of reach when not in use.

WARNING Keep away from fire and flames

DISPOSAL

All packaging is fully recyclable. Please dispose carefully of all packaging, following your local recycling rules.

FINALLY

We hope you love your BlinkyWarm™. When it is used and maintained properly, it should last you for several years so it can be passed on. All packaging can be recycled. If you have any comments or questions please get in touch with us at info@theblinkycountry.com.
