

Poly Truck Bumper Guard

Item: PTBG

Custom Fit for Poly Trucks with Hard Plastic Top-edge

Eliminate Damage • Reduce Repair Costs • Increase Staff Efficiency

- Eliminate damage to facility caused by poly trucks
- Reduce operating costs for repairs & cosmetic touch-ups
- Housekeeping staff can quickly maneuver carts without damaging walls, doorframes and elevators

Enclosed:

- 1 - Poly Truck Bumper Guard
- 2 - 24-inch Velcro® strips
- 2 - 3-inch Velcro® strips
- 1 - 6-inch Velcro® strip
- 4 - 2-inch Velcro® strips

Additional supplies needed:

- Rubbing alcohol or a non-oil-based cleaning solution
- Important:** DO NOT USE BLEACH PRODUCTS

Step 1: Prepare Cart for Velcro Installation

Clean Cart: Dirt and bleach products will prevent Velcro® adhesive from adhering well. Clean top-edge of Poly Truck with rubbing alcohol or a non-oil-based cleaning solution.

Step 2: Bumper Guard Installation

Fig. 2.1

Fig 2.1 Installation process begins on narrow-end of cart. Attach the two 3-inch Velcro adhesive strips along top-edge of cart as shown above.

Fig. 2.2

Fig 2.2 Center "DuraBumper" logo on narrow-end of cart. Attach bumper guard onto Velcro and press firmly into place. The remaining portion of bumper should rest inside cart.

Fig. 2.3

Fig 2.3 Slip bumper guard over top-edge of cart.

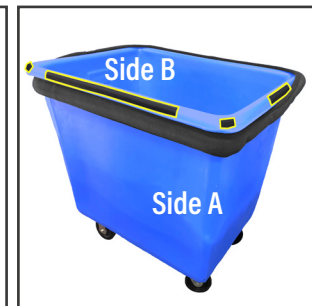

Fig. 2.4

Fig 2.4 Beginning on long-side of cart (Side A):
a. Pull bumper BELOW top-edge of cart, exposing two corners.
b. Attach Velcro strips along cart's **top-edge** as follows:
 24-inch Velcro on long-side of cart
 6-inch Velcro on remaining narrow-end (Side A only)
 2-inch Velcro on the two exposed corners

Step 2: Bumper Guard Installation (continued)

Fig. 2.5

Fig 2.5 Beginning at a corner:

- Pull bumper guard up and over corner and align top-edge of bumper with Velcro.
- Stretch and pull bumper toward opposite end of cart and attach bumper guard to Velcro on second corner.
- Once bumper is attached to corners, pull bumper guard up and over cart's long-side and align bumper with Velcro's top-edge.

Fig. 2.6

Fig 2.6 Press bumper securely into place.

Preform Steps 2.4a through 2.6 for Side B

Bumper Guard Installation Complete

Extend the Life of Bumper Guard

As corners of bumper begin to wear over time, gradually rotate bumper around cart.
