

Vinyl Truck Bumper Guard

Item: VTB-2

Custom Fit for Vinyl Trucks with Rubber or Vinyl Top-edge

Eliminate Damage • Reduce Repair Costs • Increase Staff Efficiency

- Eliminate damage to facility caused by hotel laundry trucks
- Reduce operating costs for repairs & cosmetic touch-ups
- Housekeeping staff can quickly maneuver carts without damaging walls, doorframes and elevators

Installation Instructions

1. Installation process begins on narrow-end of cart.
2. Center bumper's "DuraBumper" logo onto top-edge of cart. The remaining portion of bumper should rest inside cart.

3. Working around cart, slip fabric bumper guard over the cart's top-edge.
4. Extend the life of bumper guard: As corners of bumper begin to wear over time, gradually rotate bumper around cart.
