Message to The Gentlemen's Lounge:

Along with the above information (if you're a US merchant), we'll also need a copy of your Resale Tax Certificate. Please email both forms to wholesale@thegentlemenslounge.co.

Once you send over this completed form, your Resale Tax Certificate, have all info reviewed and approved, we'll activate your online account. This allows you to the wholesale section of our website which shows pricing, availability, as well as allows you to place orders quickly and easily right online!

After activation we will follow up with you to answer any questions you may have and to assist you with your first order. Thanks and we look forward to working with you!

Please complete all of the fields above and email back to
