Tree Trimmings....

cutting for the pieced border...

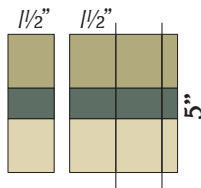

from cream cut 8 – 2¼" x 5" rectangles instead of 8 – 2" x 5" rectangles.

from tan cut 8 – 2¼" x 5" rectangles instead of 8 – 2" x 5" rectangles.

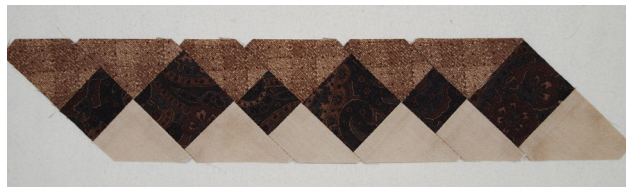

from the 8 different accent fabrics cut 1 – 1½" x 5" strip from **each** instead of 1 – 2" x 5" rectangle.

when sewing the pieced border...

- Sew the 2¼" x 5" cream and tan strips to the 1½" x 5" accent strips to make 8 units. Press the seams toward the center dark strip.
- From each of these units, cut 3 segments 1½" x 5" for a total of 24 segments.

**** NOTE:** If you have cut your cream and tan strips 2" wide, it will still work. However, when the edges are trimmed, the 1½" segments will not extend all the way to the trimmed edge. See the picture....
