Sonostar is pleased to announce the availability of custom event domes for fairs, exhibitions, carnivals, trade shows, or outdoor concerts.

The package consists of a 6 meter (19.7”) 3V 5/8 Sonostar Geodesic Mega Dome made with UV treated 1½” PVC struts as well as a custom-designed futuristic cover, complete with Sonostar’s Moongate door.

The interior has over 300 square feet of usable standup area, with a center height of 11.5’. All the struts are precut, predrilled and color coded for easy assembly. Sonostar Mega Hub connectors have all the bolt holes pre-molded, so the struts go together quickly. Assembly takes about 3 hours. The cover slips right over the top and fastens to the base.

**KIT INCLUDES**

- 15 4-Star MegaHub Dome Connectors + 1 Spare
- 6 5-Star MegaHub Dome Connectors + 1 spare
- 40 6-Star MegaHub Dome Connectors + 2 spares
- 30 Yellow Color Coded PVC Struts
- 55 Blue Color Coded PVC Struts

- 80 Red Color Coded PVC Struts
- 1 Event Dome Cover with removable door
- 330 Stainless Steel nuts and bolts (2 1/2”)
- 1 Hard rubber mallet
- 1 Color Coded Build Map and Instructions
Sonostar is pleased to offer a complete 24’ diameter 3V 3/8 Geodesic Dome Shelter solution complete with mega hubs, 1½” PVC struts, and a custom cover to provide a windproof, waterproof spacious shelter in any season.

The 24’ diameter geodesic dome has 450 square feet of usable space. 9’ high in the center. It is strong enough to support multiple hammocks, if that’s your preference. This is a heavy-duty canvas cover Fits 24’ 3V 3.8 Sonostar geodesic mega dome frame using mega hubs). There are three screened windows that open from the inside, a vent for a wood burning stove, loops for tent pegs all around perimeter.

The cover is offered with a waterproof coating, or without a waterproof coating and weighs roughly 70 lbs.

**KIT INCLUDES**

- 17 4-Star Sonostar MegaHub Dome Connectors + 1 Spare
- 6 5-Star Sonostar MegaHub Dome Connectors + 1 Spare
- 25 6-Star Sonostar MegaHub Dome Connectors + 1 Spare
- 30 Yellow color coded PVC Struts
- 40 Blue color coded PVC Struts
  - 50 Red color coded PVC Struts
- 1 Shelter Dome Cover
- 240 Stainless Steel Nuts and Bolts (To connect the hubs to the struts)
- 1 Hard Rubber Mallet
- 1 Assembly Map and Instructions
Sonostar is pleased to offer a complete 24’ diameter 3V 3/8 Geodesic Dome Greenhouse complete with mega hubs, 1” PVC struts, and a custom cover to protect all your greenhouse plants through the toughest winters.

The 24’ diameter dome has 450 square feet of plantable space. It’s 9’ high in the center, so there’s even room for hanging plants. The translucent cover fits all the way to the ground. Also included is a heavy duty zipper door for sealing your dome tight.

**KIT INCLUDES**

- 17 4-Star Sonostar MegaHub Dome Connectors + 1 Spare
- 6 5-Star Sonostar MegaHub Dome Connectors + 1 Spare
- 25 6-Star Sonostar MegaHub Dome Connectors + 1 Spare
- 30 Yellow color coded PVC Struts
- 40 Blue color coded PVC Struts
- 50 Red color coded PVC Struts
- 1 Greenhouse Dome Cover
- 240 Stainless Steel Nuts and Bolts (To connect the hubs to the struts)
- 1 Hard Rubber Mallet
- 1 Assembly Map and Instructions
2V STANDARD DOME KITS

This 2V Basic Hub Kit for use with 1/2” Schedule 40 PVC tubing is the simplest of all the domes in structure, with the fewest number of pieces. Use our Geodesic Dome Calculator located on our website to determine the required strut length for the size dome shelter you are looking to build. We also offer Hub + Strut Kit options that include pre cut and color coded PVC struts, making it easy to build a Geodesic Dome.

If you don’t see the size you are looking for email us (support@sonostarhub.com) to submit a custom kit inquiry.

**KITS INCLUDE**

- 10 4-Star Standard Dome Hub Connectors + 1 Spare
- 6 5-Star Standard Dome Hub Connectors + 1 Spare
- 10 6-Star Standard Dome Hub Connectors + 1 Spare
- 145 stainless steel bolts and matching nuts
- Instructions, Color Coded Assembly map, and a hard rubber mallet are all included in the kit.

**ALL KITS**
- 35 cut, drilled and color coded ‘A’ struts
- 30 cut, drilled and color coded ‘B’ struts

**HUB + STRUT KITS**
- 35 cut, drilled and color coded ‘A’ struts
- 30 cut, drilled and color coded ‘B’ struts

---

---
This 2V geodesic dome kit uses Sonostar Mega Hubs, suitable for either 1” or 1 1/2” Schedule 40 PVC tubing. The hubs are dual purpose, but your bolt size will change with your pipe diameter. The outside diameter of Mega Hub dome connector is sized to accommodate the inside diameter of 1 1/2” PVC pipe.

If you don’t see the size you are looking for email us (support@sonostarhub.com) to submit a custom kit inquiry.

**KITS INCLUDE**

**ALL KITS**
- 10 4-Star Mega Dome Hub Connectors + 1 Spare
- 6 5-Star Mega Dome Hub Connectors + 1 Spare
- 10 6-Star Mega Dome Hub Connectors + 1 Spare
- 145 stainless steel bolts and matching nuts
- Instructions, Color Coded Assembly map, and a hard rubber mallet are all included in the kit.

**HUB + STRUT KITS**
- 35 cut, drilled and color coded ‘A’ struts
- 30 cut, drilled and color coded ‘B’ struts
This basic dome kit includes our Standard Dome PVC Hub connectors, the nuts and bolts needed and a mallet. Our Standard Dome Connector Hubs are designed to only be used with 1/2” schedule 40 PVC.

If cutting and measuring PVC is not your cup of tea, we offer Hub + Strut Kits that include pre-cut and color coded PVC struts, making geodesic dome building easier. If you don’t see the size you are looking for email us (support@sonostarhub.com) to submit a custom kit inquiry.

**KITS INCLUDE**

**ALL KITS**

This 3V 3/8 PVC Geodesic Dome Shelter is just less than half of a sphere. If a sphere is 8/8, and a hemisphere is 4/8, then you can see that the 3/8 configuration is just less than half. Our 3V 3/8 Geodesic Dome Kits are designed for use with 1” or 1.5” Schedule 40 PVC tubing. We offer both Basic Hub Kits and Hub + Strut Kits. If you don’t see the size you are looking for email us (support@sonostarhub.com) to submit a custom kit inquiry.

**KITS INCLUDE**

- 15 4-Star Mega Dome Hub Connectors + 1 Spare
- 6 5-Star Mega Dome Hub Connectors + 1 Spare
- 25 6-Star Mega Dome Hub Connectors + 1 Spare
- 240 stainless steel bolts and matching nuts
- Instructions, Color Coded Assembly map, and a hard rubber mallet are all included in the kit.

**HUB + STRUT KITS**

- 30 cut, drilled and color coded ‘A’ struts
- 40 cut, drilled and color coded ‘B’ struts
- 50 cut, drilled and color coded ‘C’ struts
Our 3V 5/8 Basic Hub Kit is perfect for those looking to customize their geodesic dome. The hub only kit includes only the dome connector hubs, the nuts and bolts required, and a rubber mallet. This leaves the PVC struts up to you allowing you to build your PVC Dome as small or as big as geometry allows.

If you are looking to take the guesswork out of building a geodesic dome, we can pre-cut and color code the struts for you. Just chose the Hub + Strut Kit. If you don’t see the size you are looking for email us (support@sonostarhub.com) to submit a custom kit inquiry.

**KITS INCLUDE**

- 15 4-Star Standard Dome Hub Connectors + 1 Spare
- 6 5-Star Standard Dome Hub Connectors + 1 Spare
- 40 6-Star Standard Dome Hub Connectors + 2 Spares
- 330 stainless steel bolts and matching nuts
- Instructions, Color Coded Assembly map, and a hard rubber mallet are all included in the kit.

### KITS INCLUDE

**ALL KITS**

- 15 4-Star Standard Dome Hub Connectors + 1 Spare
- 6 5-Star Standard Dome Hub Connectors + 1 Spare
- 40 6-Star Standard Dome Hub Connectors + 2 Spares
- 330 stainless steel bolts and matching nuts
- Instructions, Color Coded Assembly map, and a hard rubber mallet are all included in the kit.

**HUB + STRUT KITS**

- 30 cut, drilled and color coded ‘A’ struts
- 55 cut, drilled and color coded ‘B’ struts
- 80 cut, drilled and color coded ‘C’ struts
## 3V 5/8 MEGA DOME KITS

### Our 3V 5/8 Geodesic Basic Hub Kit can be used with 1” or 1.5” Schedule 40 PVC tubing. The 3V 5/8 dome is just a bit larger than half of a sphere. If a sphere is 8/8, and a hemisphere is 4/8, then you can see that the 5/8 configuration just exceeds a half. There are three different sized struts in Frequency 3 domes, and you can find those lengths using the Sonostar calculator. We offer both Basic Hub Kits and Hub + Strut Kits. If you don’t see the size you are looking for email us (support@sonostarhub.com) to submit a custom kit inquiry.

### KITS INCLUDE

**ALL KITS**
- 15 4-Star Mega Dome Hub Connectors + 1 Spare
- 6 5-Star Mega Dome Hub Connectors + 1 Spare
- 40 6-Star Mega Dome Hub Connectors + 2 Spares
- 330 stainless steel bolts and matching nuts
- Instructions, Color Coded Assembly map, and a hard rubber mallet are all included in the kit.

**HUB + STRUT KITS**
- 30 cut, drilled and color coded ‘A’ struts
- 55 cut, drilled and color coded ‘B’ struts
- 80 cut, drilled and color coded ‘C’ struts

**4V STANDARD DOME KITS**

This is a Simple 4V Geodesic Dome Kit designed for use with 1/2” Schedule 40 PVC pipe. The 4V dome is exactly half of a sphere. As the frequency goes up (2V, 3V, 4V, etc.), the ‘roundness’ of the dome increases, as does its overall strength. We offer hub only kits(no PVC) or Hub + Strut Kits that include all the pre-cut color coded PVC struts.

If you don’t see the size you are looking for email us (support@sonostarhub.com) to submit a custom kit inquiry.

**KITS INCLUDE**

**ALL KITS**
- 20 4-Star Standard Dome Hub Connectors + 1 Spare
- 6 5-Star Standard Dome Hub Connectors + 1 Spare
- 65 6-Star Standard Dome Hub Connectors + 2 Spares
- 500 stainless steel bolts and matching nuts
- Instructions, Color Coded Assembly map, and a hard rubber mallet are all included in the kit.

**HUB + STRUT KITS**
- 30 cut, drilled and color coded ‘A’ struts
- 30 cut, drilled and color coded ‘B’ struts
- 60 cut, drilled and color coded ‘C’ struts
- 70 cut, drilled and color coded ‘D’ struts
- 30 cut, drilled and color coded ‘E’ struts
- 30 cut, drilled and color coded ‘F’ struts

The 4V dome is exactly half of a sphere. As the frequency goes up (2V, 3V, 4V, etc.), the ‘roundness’ of the dome increases, as does its overall strength. There are six different sized struts in Frequency 4 domes, and you can find those lengths using our Geodesic Dome Calculator on our website.

We offer both Basic Hub Kits and Hub + Strut Kits. If you don’t see the size you are looking for email us (support@sonostarhub.com) to submit a custom kit inquiry.

**HUB + STRUT KITS**

- 30 cut, drilled and color coded ‘A’ struts
- 30 cut, drilled and color coded ‘B’ struts
- 60 cut, drilled and color coded ‘C’ struts
- 70 cut, drilled and color coded ‘D’ struts
- 30 cut, drilled and color coded ‘E’ struts
- 30 cut, drilled and color coded ‘F’ struts
Our 5V Geodesic Dome Kit is perfect for a wide variety of purposes. The ‘3/8’ refers to the proportion of a full sphere, so the finished dome will be 1/8 smaller in dimension than a hemisphere. Our Standard Dome kit includes all the Hardcore 4-Star, 5-Star, and 6-Star dome hub connectors you’ll need to build your 5V 3/8 Geodesic Dome. We offer both the Dome Hub only kit, and the full kit that also includes pre-cut PVC struts.

If you don’t see the size you are looking for email us (support@sonostarhub.com) to submit a custom kit inquiry.

**KITS INCLUDE**

**ALL KITS**
- 25 4-Star Standard Dome Hub Connectors + 1 Spare
- 6 5-Star Standard Dome Hub Connectors + 1 Spare
- 95 6-Star Standard Dome Hub Connectors + 2 Spares
- Stainless steel bolts and matching nuts
- Instructions, Color Coded Assembly map, and a hard rubber mallet are all included in the kit.

**HUB + STRUT KITS**
- 30 cut, drilled and color coded ‘A’ struts
- 30 cut, drilled and color coded ‘B’ struts
- 60 cut, drilled and color coded ‘C’ struts
- 60 cut, drilled and color coded ‘D’ struts
- 50 cut, drilled and color coded ‘E’ struts
- 50 cut, drilled and color coded ‘F’ struts
- 30 cut, drilled and color coded ‘G’ struts
- 30 cut, drilled and color coded ‘H’ struts
- 10 cut, drilled and color coded ‘I’ struts
The 5V dome, like the 3V dome, doesn't configure to half of a sphere. The 5V 3/8 dome is just a little larger than half a dome. This is a 5V 3/8 Geodesic Dome Kit for use with 1" or 1 1/2" Schedule 40 PVC tubing. We offer both Basic Hub Kits and Hub + Strut Kits. If you don't see the size you are looking for email us (support@sonostarhub.com) to submit a custom kit inquiry.

KITS INCLUDE

**ALL KITS**

- 25 4-Star Mega Dome Hub Connectors + 1 Spare
- 6 5-Star Mega Dome Hub Connectors + 1 Spare
- 95 6-Star Mega Dome Hub Connectors + 2 Spares
- Stainless steel bolts and matching nuts
- Instructions, Color Coded Assembly map, and a hard rubber mallet are all included in the kit.

**HUB + STRUT KITS**

- 30 cut, drilled and color coded ‘A’ struts
- 30 cut, drilled and color coded ‘B’ struts
- 60 cut, drilled and color coded ‘C’ struts
- 60 cut, drilled and color coded ‘D’ struts
- 50 cut, drilled and color coded ‘E’ struts
- 50 cut, drilled and color coded ‘F’ struts
- 30 cut, drilled and color coded ‘G’ struts
- 30 cut, drilled and color coded ‘H’ struts
- 10 cut, drilled and color coded ‘I’ struts
This is a 5V 5/8 Standard Dome Hub Only Kit for use with 1/2” Schedule 40 PVC tubing. The 5V dome, like the 3V dome, doesn’t configure to half of a sphere. The 5V 5/8 dome is just a little larger than half a dome. Use this kit to build a DIY greenhouse, geodome party tent, emergency shelter, silo dome and whatever else you can think up. We offer both the Dome Hub only kit, and the full kit that also includes pre-cut PVC struts.

If you don’t see the size you are looking for email us (support@sonostarhub.com) to submit a custom kit inquiry.

**KITS INCLUDE**

**ALL KITS**

- 25 4-Star Standard Dome Hub Connectors + 1 Spare
- 6 5-Star Standard Dome Hub Connectors + 1 Spare
- 120 6-Star Standard Dome Hub Connectors + 2 Spares
- 850 Stainless steel bolts and matching nuts
- Instructions, Color Coded Assembly map, and a hard rubber mallet are all included in the kit.

**HUB + STRUT KITS**

- 30 cut, drilled and color coded ‘A’ struts
- 30 cut, drilled and color coded ‘B’ struts
- 60 cut, drilled and color coded ‘C’ struts
- 70 cut, drilled and color coded ‘D’ struts
- 70 cut, drilled and color coded ‘E’ struts
- 80 cut, drilled and color coded ‘F’ struts
- 35 cut, drilled and color coded ‘G’ struts
- 30 cut, drilled and color coded ‘H’ struts
- 20 cut, drilled and color coded ‘I’ struts
This is a 5V 5/8 Geodesic Dome Kit for use with 1” or 1 1/2” Schedule 40 PVC tubing. We offer both Basic Hub Kits and Hub + Strut Kits.

If you don’t see the size you are looking for email us (support@sonostarhub.com) to submit a custom kit inquiry.

**KITS INCLUDE**

6V STANDARD DOME KITS

DOME KIT: FRAME THICKNESS BOLT LENGTH: DOME DIAMETER (HUB + STRUT KITS ONLY): SKU: PRICE:
BASIC HUB KIT 1/2” PVC | 1.5” BOLTS N / A 6VS01HK $1199.99 USD
HUB + STRUT KIT 1/2” PVC | 1.5” BOLTS 8M / 26.25FT 6VS01H+SK08M $2842.99 USD
HUB + STRUT KIT 1/2” PVC | 1.5” BOLTS 12M / 39.4FT 6VS01H+SK12M $3286.99 USD
HUB + STRUT KIT 1/2” PVC | 1.5” BOLTS 15M / 49.2FT 6VS01H+SK15M $3610.99 USD

We carry both a Basic 6V Geodesic Dome Kit that only comes with the dome hub connectors, and a full 6V Geodesic Dome Kit that also includes the pre-cut PVC struts. Each of our Standard Dome Hubs were designed for use with 1/2” Schedule 40 PVC tubing. This is the highest frequency and the strongest geodesome kit that we offer.

If you don’t see the size you are looking for email us (support@sonostarhub.com) to submit a custom kit inquiry.

KITS INCLUDE

ALL KITS
- 30 4-Star Standard Dome Hub Connectors + 1 Spare
- 6 5-Star Standard Dome Hub Connectors + 1 Spare
- 160 6-Star Standard Dome Hub Connectors + 2 Spares
- 1110 Stainless steel bolts and matching nuts
- Instructions, Color Coded Assembly map, and a hard rubber mallet are all included in the kit.

HUB + STRUT KITS
- 30 cut, drilled and color coded ‘A’ struts
- 30 cut, drilled and color coded ‘B’ struts
- 60 cut, drilled and color coded ‘C’ struts
- 90 cut, drilled and color coded ‘D’ struts
- 30 cut, drilled and color coded ‘E’ struts
- 60 cut, drilled and color coded ‘F’ struts
- 130 cut, drilled and color coded ‘G’ struts
- 65 cut, drilled and color coded ‘H’ struts
- 60 cut, drilled and color coded ‘I’ struts
This 6V Mega Dome Hub Kit is designed for use with 1” or 1.5” Schedule 40 PVC tubing. This is the biggest and strongest kit we offer. It uses Sonostar Mega Dome Connectors which add additional strength to the dome. Combine the Basic Hub Kit with the Strut Kit for a quick build, or order just the Basic Hub Kit and use the calculator on our website to determine what size struts you will need to cut for the size dome you are looking to build. If you don’t see the size you are looking for email us (support@sonostarhub.com) to submit a custom kit inquiry.
This Basic Hub Kit includes all the Standard Hub Connectors needed to make a sphere with 1/2" Schedule 40 PVC pipe. A Geodesic Sphere is two domes put together using a common hemisphere ring. We also offer Hub + Strut Kit options that include pre cut and color coded PVC struts, making it easy to build a Geodesic Sphere.

If you don’t see the size you are looking for email us (support@sonostarhub.com) to submit a custom kit inquiry.

**KITS INCLUDE**

**ALL KITS**
- 12 5-Star Standard Sphere Hub Connectors + 1 Spare
- 30 6-Star Standard Sphere Hub Connectors + 1 Spare
- 290 stainless steel bolts and matching nuts
- Instructions, Color Coded Assembly map, and a hard rubber mallet are all included in the kit.

**HUB + STRUT KITS**
- 60 cut, drilled and color coded ‘A’ struts
- 60 cut, drilled and color coded ‘B’ struts
The Basic Hub Kit includes our extrusion molded Mega Hub Connectors needed to make a Sphere using 1” or 1.5” Schedule 40 PVC pipe. A 2V Geodesic PVC Sphere is basically two domes put together using a common hemisphere ring. We also offer Hub + Strut Kit options that include pre cut and color coded PVC struts, making it easy to build a Geodesic Sphere.

If you don’t see the size you are looking for email us (support@sonostarhub.com) to submit a custom kit inquiry.

**KITS INCLUDE**

**ALL KITS**
- 12 5-Star Standard Sphere Hub Connectors + 1 Spare
- 30 6-Star Standard Sphere Hub Connectors + 1 Spare
- 290 stainless steel bolts and matching nuts
- Instructions, Color Coded Assembly map, and a hard rubber mallet are all included in the kit.

**HUB + STRUT KITS**
- 60 cut, drilled and color coded ‘A’ struts
- 60 cut, drilled and color coded ‘B’ struts
Our 3V PVC Standard Sphere Kits include all the necessary Standard Hub Sphere Connectors, the nuts, bolts, rubber mallet, great as a DIY Sphere Kit. Our Full Kits come with the PVC struts. These are great kits for those looking for an easier Geodesic sphere project. We measure, pre-cut and color code each PVC strut for you taking the guesswork out of building a Geodesic Sphere.

If you don’t see the size you are looking for email us (support@sonostarhub.com) to submit a custom kit inquiry.

**KITS INCLUDE**

**ALL KITS**

- 12 5-Star Standard Sphere Hub Connectors + 1 Spare
- 80 6-Star Standard Sphere Hub Connectors + 1 Spare
- 540 stainless steel bolts and matching nuts
- Instructions, Color Coded Assembly map, and a hard rubber mallet are all included in the kit.

**HUB + STRUT KITS**

- 60 cut, drilled and color coded ‘A’ struts
- 90 cut, drilled and color coded ‘B’ struts
- 120 cut, drilled and color coded ‘C’ struts
Our 3V Geodesic PVC Sphere Kits include all the necessary Mega Hub Sphere Connectors, the nuts, bolts, and rubber mallet, great for custom builds. For easier builds our Full Sphere Kits include the PVC struts. These sphere kits are perfect for DIY Geodesic Sphere builds. This kit works with both 1” or 1.5” PVC.

If you don’t see the size you are looking for email us (support@sonostarhub.com) to submit a custom kit inquiry.

### Kits Include

4V STANDARD SPHERE KITS

Spheres are essentially two geodomes put together. These kit use Standard Sphere Connectors. They can be used with 1/2” PVC. Our 4V PVC Standard Sphere Kits include all the necessary Standard Hub Sphere Connectors, the bolts, nuts, color coded instructions, and rubber mallet. This is a great DIY Sphere Kit. Our Full Kits come with the PVC struts. These are great kits for those looking for an easier Geodesic Sphere project. We measure, pre-cut and color code each PVC strut for you taking the guesswork out of building a Geodesic Sphere.

If you don’t see the size you are looking for email us (support@sonostarhub.com) to submit a custom kit inquiry.

KITS INCLUDE

- 12 5-Star Standard Sphere Hub Connectors + 1 Spare
- 150 6-Star Standard Sphere Hub Connectors + 2 Spares
- 1000 stainless steel bolts and matching nuts
- Instructions, Color Coded Assembly map, and a hard rubber mallet are all included in the kit.

**ALL KITS**
- 60 cut, drilled and color coded ‘A’ struts
- 60 cut, drilled and color coded ‘B’ struts
- 120 cut, drilled and color coded ‘C’ struts
- 120 cut, drilled and color coded ‘D’ struts
- 60 cut, drilled and color coded ‘E’ struts
- 60 cut, drilled and color coded ‘F’ struts
4V PVC Mega Sphere Kits

Our 4V PVC Mega Sphere Kits include all the necessary Mega Hub Sphere Connectors, the bolts, nuts, color coded instructions, and rubber mallet. These Basic Hub Kits can be used with 1” or 1.5” schedule 40 PVC.

KITS INCLUDE

- 12 5-Star Mega Sphere Hub Connectors + 1 Spare
- 150 6-Star Mega Sphere Hub Connectors + 2 Spares
- 1000 stainless steel bolts and matching nuts
- Instructions, Color Coded Assembly map, and a hard rubber mallet are all included in the kit.

HUB + STRUT KITS

- 60 cut, drilled and color coded ‘A’ struts
- 60 cut, drilled and color coded ‘B’ struts
- 120 cut, drilled and color coded ‘C’ struts
- 120 cut, drilled and color coded ‘D’ struts
- 60 cut, drilled and color coded ‘E’ struts
- 60 cut, drilled and color coded ‘F’ struts
