Storage & Serving:

- *Our brownies and blondies should be kept in an air-tight container and they'll then stay fresh for 2 weeks at room temperature*
- *They can also be frozen to stay fresh for 3 months. We recommend wrapping them individually if freezing. Then simply defrost them at room temperature when required*
- *We recommend putting them in the microwave for 10 seconds before serving. This isn't necessary, but just ensures they're extra gooey!*
