

MODERN ALKEME™

THE EVERYDAY DETOX FOR EVERYDAY LIFE

Modern Alkeme™ is the new, easy way to detox and I would love to be able to buy it from your store. Unlike most other cleanses, no fasting is required. You can eat whatever you want. No stringent rules or regiments either, just drink one bottle a day, whenever. It works too! Each bottle contains 13 of the earth's most potent detoxifiers that work to free your body of toxins. Plus, Modern Alkeme is High Pressure Pasteurized (HPP), made with organic ingredients and only contains 9 grams of sugar and 35 calories per bottle. Below is their UPC and contact info to make carrying one of my favorite brands easier.
