

Wood Leg Bar Table Assembly

Included

-  8 1.5" 5/16-18 bolts
-  8 washers

Required

-  Crescent wrench or 1/2 inch socket wrench

Instructions

The crossbar fit is precise. Leaving the leg screws slightly loose in Step 1 allows ease when aligning and tightening the crossbar.

-
- Step 1** Align legs and tighten bolts 85%
-
- Step 2** Align crossbar and tighten bolts fully
-
- Step 3** Return to tighten leg bolts fully
