Sir Knights, friends, and travelers:

Over the course of the last few months we have all watched with anticipation and apprehension the growing health concerns currently facing our world. TCA Travels and EA Tours are dedicated to the health and wellbeing of each and every one of our travelers, and as such we have closely followed the risk assessments from our destinations around the globe.

Recently your Tour Leader, Patrick Craddock, had a phone conversation with Grand Master Jeff Nelson, and it was decided that the best course of action is to reschedule the trip to Scotland and England for May 2021. This decision was made out of an abundance of caution for the health of everyone involved. The new travel dates will be May 15 through May 24<sup>th</sup>, 2021.

This decision was not made lightly but was made with the safety of everyone traveling in mind.

The scope of our travels will not change, but the rescheduled date has presented us an opportunity that we didn't have available during our initial travel plans. The Great Priory of England will meet May 19<sup>th</sup>, 2021 in London! This will give our Sir Knights a chance to attend a meeting in the U.K...and not just any meeting, but the Great Priory!

The inclusion of the Great Priory meeting will cause us to reorganize the trip. We will include all the places we've advertised, but the flow of the trip will reverse as we start in England/London and end in Scotland. Look for a revised ad in the Knight Templar magazine with specific itinerary details.

The mechanics of the trip have not changed other than everyone will need to plan to fly into London and out of Scotland. Also, all money that has been paid toward this trip is held and being applied toward the rescheduled date. For those with a balance due, we have extended the payment period to reflect the new travel date.

Airlines are being very cooperative right now. We suggest you contacting them to arrange a revised travel date for your flights in and out of the U.K.

The staff at TCA Travels and EA Tours are 100% dedicated to providing you a wonderful experience and will be devoting the many hours required to re-do the extensive work required to reschedule the trip at no additional cost to you. This trip will be an amazing opportunity to enjoy and experience Templary in the U.K.!

Our continued prayers are, and continue to be, for your health and safety.
