DUTY OF CARE: For division under 18 years of age (minor) the duty of care for your child / children rests completely with you. Safety and insurance demands the parent be present at all times whilst your child/children are involved in all our club activities.

COMP-REGISTRATION: Please respond to this well before the cut off (generally all entry to be notified the Thursday night of the comp week) so we can plan the contest day out in advance. In the event that your schedule changes and you cannot make the event, please ensure you notify us immediately or at the very minimum you are on the beach at 7.30am to nominate your attendance prior to the heat draws being posted.

COMMUNICATION: All club communication is done via a group email, and through our Facebook & Instagram Page Please ensure that we have your current email address/s and like us on Facebook and / or follow us on Instagram.

SHARK SIGHTING: In the event of a shark sighting it is club policy that the ALL club members exit the water immediately whether they are surfing in a heat or free surfing. This will be signalled by the continuous blasting of the horn. We will not put our members at risk and in most cases the event will be cancelled. Once this is done the event is officially over and it is the clubs recommendation that you do not re-enter the water. If you do re-enter the water you do so at your own risk
