*what parents  
are saying:*

We were thrilled to start SQUILT LIVE! and we were not disappointed! This is something our kids, ages 5-11 each look forward to!

We are new to SQUILT but have learned so much quickly! My kids are hearing music and comparing it to things we've studied.

Really fun!

- Kimberly (SQUILT LIVE! Parent)

I just wanted to tell you how much we are enjoying our SQUILT membership! I've thought about joining for such a long time and finally did this month. **We couldn't be happier.**

We have loved listening to the music selections every day. We've learned so much about geography and music and the lesson today was excellent! **I am so excited that we've made this part of our day.**
