Archives Index

Our archives contain over **70** recorded lessons and packets! The lessons range from the years 1600 - present and encompass works by **male & female composers, Jazz, Musicals, Movie Music, World Music** and so much more.

This index is arranged by time period. Our members have access to this index and it is linked to each lesson for ease of use.

Several lessons also include a chalk pastel lesson or a nature study lesson bonus. We love to partner with other curriculum providers in an effort to teach you how to teach across the curriculum.

Use the following index to customize a plan for learning or to simply choose a fun lesson for a rainy day!
