

Archives Index

The SQUILT LIVE! Plus archives is a music appreciation gold mine!

Our archives contain **115** (and growing!) recorded lessons and packets! The lessons range from the years 1600 - present and encompass works by **male & female composers, Jazz, Musicals, Movie Music**, and so much more.

This index is arranged by time period, unique themes, and special guests. **As a SQUILT LIVE! Plus Member, you will have access to every single lesson in this index.** Simply use the search function in your membership to find the lesson you need.

Several lessons also include a chalk pastel lesson or a nature study lesson bonus. We love to partner with other curriculum providers in an effort to teach you how to teach across the curriculum. Special events are also included in these archives.

Use the following index to customize a plan for learning or to simply choose a fun lesson for a rainy day!
