

HAZMAT Shipping Container Instructions

1

With your order you receive a regular box with your empty HAZMAT container inside

2

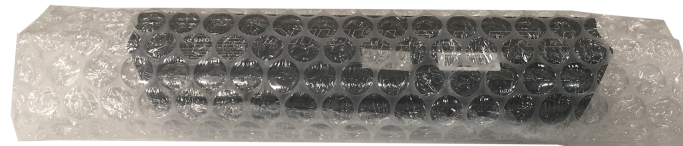

3

The container is labeled and ready to go
We have left the bottom side open for you to insert your battery

4

Wrap the battery in provided bubble wrap

5

Use all of the bubble wrap
Make sure that the battery does not move around when you shake the box. Insert the wrapped battery into the box from the bottom side

6

Use a wet sponge or paper towel to apply small amount of water to the adhesive side of the provided tapes.

7

Tape the bottom of the container on all 3 sides

8

When the package is ready, Please call FedEx at 1-800-463-3339 and use option 81# to schedule a HAZMAT pick up.

Call 1-800-463-3339 option 81# for pick up
