## Money Back Guarantee

If our product isn't right for you, return it to us within 30 days to receive your money back. Items must be in original packaging with all parts as supplied and be in perfect re-saleable condition. A 15% restocking fee will be applied for quantities of 10 units and above.

## Shipping and Returns

The Nixplay Signage Shop provides standard US shipping. Please note that no shipments can be made to APO/FPO, and US Protectorates. Using standard shipping, orders will be delivered within 3-7 working days from the date of purchase. We are unable to ship to international locations at this time. To learn more about our shipping policies, please click here.

## 3-Year Warranty

Each Nixplay Signage Player is covered with a 3-year product warranty.

## Why Choose Us?

Nixplay Signage was launched in response to requests from our existing consumer base who challenged us to create an equally simple solution for their corporate needs. With over a decade of experience, Nixplay Signage is our answer to streamline business messaging through the use of Cloud technology and high-quality displays.
