To give your team the best competitive advantage, our team wear is thoughtfully designed with comfort in mind, with the highest quality performance fabrics that are engineered for maximum comfort.

FABRIC

For our teamwear we use breathable, fast drying fabrics with moisture wicking capabilities. Our fabrics are also odor & pilling resistant with 4-way stretch.

DESIGN

We take extra steps in the design details such as longer length in tops, little pockets for ipods and thumbholes with longer cuffs. For maximum comfort all garments have flat seaming, gussets, taping around neck and on the back of zippers, locking zippers and reverse stitch lining. All garments are pre-shrunk to ensure perfect fit and durability.
