

# POWER 45

45W, 20000mAh Power Bank

Perfect  
for Laptops & iPads

**45W Super Fast Charging:** Now charge with the thunderous speed in time! Plug in multiple devices to charge them up anytime, anywhere. It's 45W output is more than enough to charge up multiple devices at the same time and with the same speed!

**Wide Compatibility Laptop Charging:** Due to its variability, Power 45 can charge up any device that has the needed charging slot. You can charge up your smartphone, Laptop or any other device that has compatibility with the powerbank!

**Dual Input Ports:** The power bank has dual input ports that let you plug in your devices that have to be charged. The ports are built with precision, to ensure that the charging process is absolutely seamless!

**Dual USB Output Port:** The power bank has dual USB output ports that allows for seamless cross charging for the strongly built 20000mAh battery! The device has precision ports that give glitch-free output for device longevity!

**LED Indicators:** Power 45 has LED indicators that indicate the stats of the devices that are charging and vice versa. This unique feature allows for the considerate usage of the power bank and also elevates the longevity of the devices that are being charged!

**Wake Up Button:** Power button in the power bank is used for breaking the circuit, to prevent the battery bank from self discharge. And the wake up button is power button only, this way you can ensure the better lifetime run of your powerbank!

## TECHNICAL SPECIFICATIONS :

- Model** : Power 45
- Product Code** : POR 1215 (Blue)
- Capacity** : 20000mAh
- Micro USB Input** : DC 5V/3A
- Type-C Input** : DC 5V/3A, 9V/2A, 12V/1.5A, 20V/2.25A
- USB Output 1** : DC 5V/3A, 9V/2A, 12V/1.5A 45W (max)
- USB Output 2** : DC 5V/3A, 9V/2A, 12V/1.5A 45W (max)
- Type-C Output** : DC 5V/3A, 9V/3A, 12V/3A, 20V/2.25A, 45W (max)
