Portronics

2.4GHz Wi-Fi

Splug 10

10A Wi-Fi Enabled Smart Plug

Wireless Control – Switch ON and OFF your appliances remotely from anywhere in the world by connecting them to the Portronics Splug 10.

Manage your appliances smartly - Use the Portronics SmartHome app to automate your appliances. Download the Portronics SmartHome mobile application from Google Play Store and Apple App Store.

Schedule your devices' functioning - Use Splug 10 to set your schedules to turn ON & OFF your appliances and devices anytime. Like, you can set your mobile charger to turn on at 10 pm and turn off at 12 am automatically, thereby saving electricity and time without any hassle.

Smart Savings / Energy Metering – Portronics Splug 10 will help you reduce your devices' energy consumption through our Smart metering feature to keep a check on your daily power usage by each appliance.

Voice Control Feature - Turn your electrical appliances ON and OFF at your voice's command. Connect the appliances to Splug 10 and enjoy the ease of controlling them using the voice control feature of Alexa and Google Assistant.

Multi-functional and Durable - Made of Polycarbonate material, Portronics Splug 10 is fire-resistant and durable. This makes it suitable for electrical appliances like TV, Fans, Lamps, Music Systems, Mobile Chargers, Wall Curtains, etc.
