

3M Science.
Applied to Life.™

3M Automotive and Aerospace Solutions Division

Get protection on your radar.

3M™ Polyurethane Protective Boots

Weather any weather.

Special aircraft parts like radomes, antennas, winglets and landing gear require special protection. 3M™ Polyurethane Protective Boots are your first line of defense against rain and sand erosion and particle impact, protecting vital exterior substrates from smog, dust and foreign object debris. Help prevent aircraft from becoming AOG (aircraft on ground) due to paint erosion or compromised coatings. Reduce downtime, expensive repairs and labor costs. Keep your aircraft looking brand new, whatever the weather.

- ▶ Protects vulnerable exterior surfaces from erosion
- ▶ Prevents damage caused by rain and sand
- ▶ UV-stable polyurethane holds its clarity and will not yellow over time
- ▶ Virtually no reduction in transmissivity
- ▶ Tough, durable material with high impact absorption

Upgrade your aircraft at [3M.com/boots](https://www.3m.com/boots).

Get custom pre-formed boots for:

Product Use: Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. Given the variety of factors that can affect the use and performance of a 3M product, user is solely responsible for evaluating the 3M product and determining whether it is fit for a particular purpose and suitable for user's method of application.

Warranty and Limited Remedy: 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS, INCLUDING ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. If the 3M product does not conform to this warranty, the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

Limitation of Liability: Except where prohibited by law, 3M will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted.
