very compact - also for your daily life with bus or train  
bottle and accessory tray on handle  
large shopping basket

## Productimages:

---

With carrycot, car seat and shopper buggy, the practical Shopper SLX Trio Set has everything you need from the birth of your baby to pre-school age.

This chic buggy will attract admiring glances on your shopping trips or walks. The set also cuts a fine figure on the bus or train, because with chassis with suspension and swivelling and lockable front wheels, the Shopper SLX is very robust and manoeuvrable. The buggy also has compact, folded dimensions so that it can fit into the smallest car boot.

The comfortable carrycot and the Zero Plus 0+ car seat can be used from birth. The carrycot and car seat are quick and easy to mount onto the integrated adapters using the practical Easy-Fix System.

The Zero Plus 0+ car seat always keeps your little one safe on car journeys. With the innovative, side-impact protection system, with patented use of shock-absorbing, PU foam and padded, 3-point belt, the Zero Plus 0+ guarantees optimum safety on every journey. Combine the car seat and chassis into a practical Shop'n Drive System for shopping trips, so your child can keep sleeping in the car seat when you take him or her out of the car.

Your little one will also be comfortable on trips in the shopper buggy. The strap enables the backrest to be continuously adjusted right down into a lying position and the footrest is also adjustable. Baby's bottle or refreshments for mum and dad can be kept within easy reach at all times in the practical drinks holder on the pushing handle. The 5-point belt, front bar and handbrake keep your child as safe as possible. Store shopping or baby accessories in the extra-large basket.
