

Loyalty Card Stamps

Size:

Trodat 4921 - The available area on the stamp is 11 x 11mm.

It is best to choose graphics or text that will be suitable to go down 11mm in size (not too fine or detailed).

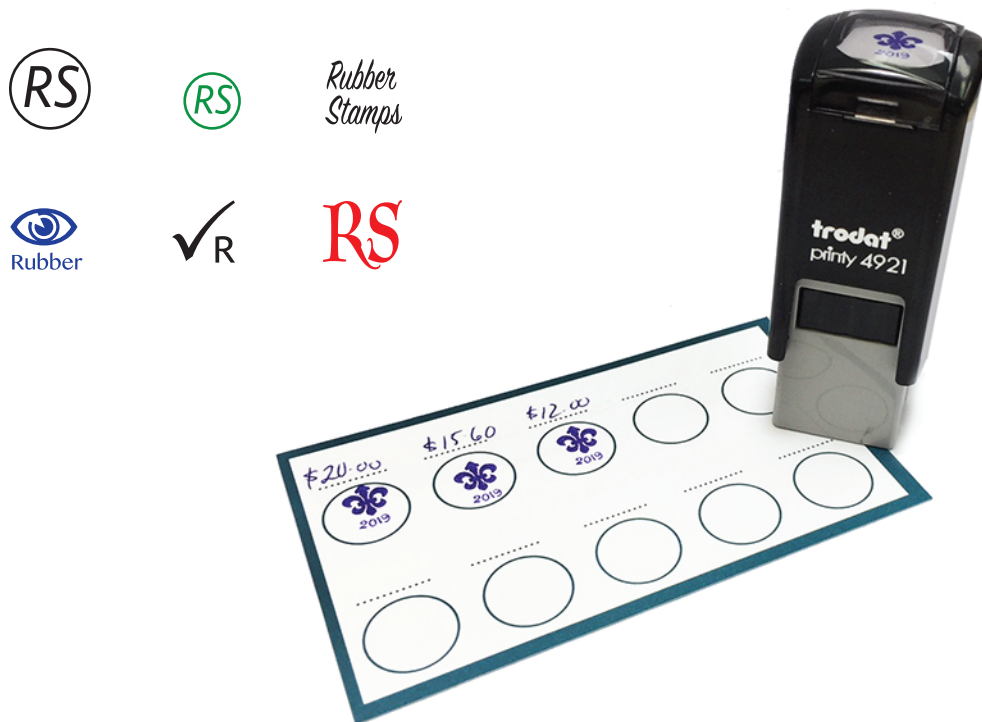

The graphics do not have to completely fill the 11mm space available.

Cards:

The ink is suitable to stamp onto matte paper and card.

Avoid having your cards printed on glossy cardstock as the ink may dry very slowly, or not dry at all. If the cards are super glossy a handle stamp and solvent based ink pad will be required.

New ink pads can be purchased or a bottle of ink to top up the existing pad in the unit.

Ordering:

Custom stamps take 1-2 working days to make.

They can be ordered on our website under 'Self Inking Stamps' (Trodat 4921 size)

Other Ways to order:

Email us directly with your requirements or print out an order form (see our 'Contact' page)

Please feel free to phone us for any questions or guidance.
