Child Protection Commitment

1. TYF believes that children must be protected from harm at all times.
2. We believe every child should be valued, safe and happy. We want to make sure that children we have contact with know this and are empowered to tell us if they are suffering harm.
3. We want children who use or have contact with TYF to enjoy what we have to offer in the best environment possible.
4. We want children and parents who use or attend TYF courses or events to be supported to care for their children in a way that promotes their child's health and well-being and keeps them protected.
5. TYF will achieve this by effective child protection procedures and following the All Wales Child Protection Procedures 2008.
6. If we discover or suspect a child is suffering harm we will notify the Local Authority Designated Officer (LADO) in order that they can be protected if necessary.
7. This policy statement and our child protection procedures apply to all staff, volunteers and users of TYF and anyone carrying out any work for us or using our premises.
8. We will review this policy and procedures annually to make sure they are still relevant and effective.
9. TYF are committed to policies and action to ensure that those who are employed in paid or voluntary capacity and the people it serves, are not discriminated on the basis of disability, race, age, religion or belief, sexual orientation or gender.
10. This document has been agreed and understood at all levels within the organisation.
11. These policies will be followed in person and online.
