SHOP

Earrings available separately with free gift box.

I started making mobiles more than 14 years ago. Each piece is custom handmade by me in my Los Angeles studio when you order. I create high quality art for a lifetime of enjoyment in your home, office, and business. -- Debbie

INFLUENCES / BIO

I love everything mid century modern and I love color. My influences include Alexander Calder, Ray and Charles Eames, modern art, abstract expressionism, the avant-garde, Dada, Marcel Duchamp, Hans Arp, Sophie Taeuber-Arp, Tristan Tzara, Man Ray, Moholy-Nagy. In addition to being an artist, I'm also a graphic designer, coder, writer, noise musician, photographer, and I invent things.

HIGH-QUALITY MATERIALS

All kinetic art is made from glossy acrylic shapes and rust-free stainless steel wire. Atomic Kits are glossy acrylic and stainless steel s-hooks. Earrings are acrylic and hypo-allergenic titanium ear wire. AstroLuma lamps are high quality 1/4" acrylic and UL listed socket cords.

CUSTOM COLORS AND SIZES

Choose from my expert color suggestions or choose from 35 beautiful colors at no extra charge, including opaques, fluorescents, and transparent colors that reflect stunning colorful shadows.

EASY TO HANG AND DISPLAY

All necessary hanging hardware and instructions are included, along with a signed Certificate of uthenticity for provenance of your art.

NEED HELP?

I offer free consultation and Photoshop mockups of your room to assist you in visualization and choosing the perfect art for your space. Contact me anytime for immediate assistance.

SHARING IS FUN

Once your new art is in place please share some pictures. Email or text images to me, I'll add them to my site and social media. Please share them on your social media too with #AtomicMobiles.
