## Why Buy Newton

With over 40 years of experience, Newton Commercial are world leaders in interior trim, producing high quality products for all your interior upholstery needs. Our expertise and commitment to quality manufacturing is highlighted by our British Motor Heritage approval and we are the only trimmers in the world with this unique quality status. Using our expertise and knowledge in the classic car industry, we have developed a complete range of products for the Beetle and have been supplying industry leaders within this sector for a number of years.

They choose us because of our ability to provide high quality interior trim handcrafted by our team of skilled professionals across our three sites in Suffolk, highlighting British manufacturing at its best. Our materials are sourced within the UK, and we pride ourselves on sourcing high quality automotive grade vinyl, leathers and carpet as close as possible to the original materials used in first production. Using original trim, we have researched and developed products that are produced as they were originally. Our panels are made using the correct thickness board, cut to the correct size and shape in our onsite Suffolk factory using precision tooling to produce the same high quality every time. Using our high frequency welding machine, For those who are looking for the complete interior package, we have our range of Suffolk reclining seats designed with comfort and safety in mind.

Our aftermarket sales care is second to none and we provide a standard six month returns policy on all products returned in their original condition. With our expertise and knowledge, we are able to offer technical help for all your purchasing and fitting needs. This catalogue will help you explore Beetle range, but our sales team are always on hand for more specific advice, quotations, and free material samples. Our customer service team can help with any issues you may have, using our years of experience in interior trim from development to production.

## Complete seats

We developed our complete seat range as an upgrade to original Beetle seating. Our seats are designed with comfort, safety and style in mind. All seats benefit from extra lateral support and 7" front to back travel on seat slides. Suffolk seats have modern reclining mechanisms and twin post head rest for added safety. You can choose from a vast range of colours to suite every colour scheme. All complete seats need sub frames which are simply bolted to your floor pan.

### Door panels, Trim kits and Rear quarters

Our award-winning trim panels are made from 2.4mm automotive grade hardboard with a 3mm foam & vinyl covering. Each panel is die cut on tooling to match the original shape, so they will fit perfectly into your beetle. The welded designs offered are our own where the colours can be customised to your choice, from our vast range. All items are made in our Suffolk factory. Fitting clips are supplied as standard with each set of panels.

## Carpet sets

We think our VW beetle carpet sets are the best in the world. We replicate exactly what VW did in manufacturing your carpets, with over 13 different year breaks. We have had special tooling developed to create the correct VW style gear lever/handbrake/ air vent grommets, front pedal mats and heel mats to enhance the quality of our sets. These sets are available in the original square weave, narrow weave, or nylon carpet. We handcraft each set so please take note of our important questions below when ordering! We also offer 5 pages of fitting instructions to help you fit the carpets!
