Headlining Kits

We have made a difficult job simple as our headlining has been patterned from the original with an extra 1" to hold on to when fitting. This kit includes the A and C post liners as well as the main canopy. Available in 3 original colours, we also include a "trick" piece of equipment to help hold the lining in place before final gluing.

Seat Accessories

Diaphragm

A common issue we have come across is sagging squab diaphragms. We have the perfect replacement products for you if this is the case, these are a direct swap for the original.

C5500 FRONT SQUAB DIAPHRAM

Supplementary foam repair kit

From experience, we have found that the backrest foams on the front seats do get damaged through wear and tear, as well as deteriorating over time. Consequently, we have developed a "supplementary foam repair kit" for the front seats. Instructions are supplied for ease of fitting.

SF5500	INSIDE THE UK (includes glue)
SF5501	OUTSIDE THE UK (excludes glue)

THESE KIT'S ARE FOR BOTH FRONT SEATS
