Complete Seats

We developed our brand new reclining seats with comfort, safety and style in mind. These seats benefit from extra lateral support, anti-tilt, a varied 7" front to back travel on seat slides, fully adjustable modern reclining mechanism and a twin post headrest for added safety.

You can customise these seats with your choice of colour, fabric, including some original cloths such as Westfalia and Inca cloth. You can opt for our top of the range GT seat with added base side roll support or our captains' seat with brilliant captains' arms. Sub-frames are simply bolted to your floor pan in minutes and the squab (back) can be fully folded down for extra space when camping. Driving a camper has never been as much fun.

Rock and Roll Bed Covers

Rock and Roll beds are our speciality. Available in 4" automotive bedding foam, our Rock and Roll beds are manufactured in our Suffolk factory to your design and spec. Our expertise is in the preparation and we talk with you to get the perfect design and colour choice. Each 3 piece is available in a wide choice of colours to match your panel kit and front seats. We can also recover your existing flat foams (if you have these) in new covers.

Door panels, Trim kits and Tailgate panels

Our award-winning trim panels are made from 2.4mm automotive grade hardboard. Each panel is die-cut on tooling to exact replicas of the original board, so they fit perfectly to your van and can be customised to your colour choice. All panels are handcrafted in our Suffolk factory, with pre-cut holes for all fitting clips, which are supplied as standard. Single panels can be purchased, or the full interior trim panel set. Our bestselling trim panels come fully protected with special packaging ready to clip simply into your van! Contact us for colour swatches!
