Why Buy Newton?

With over 40 years of experience, Newton Commercial are world leaders in interior trim, producing high quality products for all your interior upholstery needs. Our expertise and commitment to quality manufacturing is highlighted by our British Motor Heritage approval and we are the only trimmers in the world with this unique quality status. Using our expertise and knowledge in the classic car industry, we have developed a complete range of products for the Brazilian T2 and have been supplying industry leaders within this sector for a number of years.

They choose us because of our ability to provide high quality interior trim handcrafted by our team of skilled professionals across our three sites in Suffolk, highlighting British manufacturing at its best. Our materials are sourced within the UK, and we pride ourselves on sourcing high quality automotive grade vinyl, leathers and carpet as close as possible to the original materials used in first production. Using original trim, we have researched and developed products that are produced as they were originally. Our panels are made using the correct thickness board, cut to the correct size and shape in our onsite Suffolk factory using precision tooling to produce the same high quality every time. Using our high frequency welding machine, For those who are looking for the complete interior package, we have our range of Suffolk reclining seats designed with comfort and safety in mind.

Our aftermarket sales care is second to none and we provide a standard six month returns policy on all products returned in their original condition. With our expertise and knowledge, we are able to offer technical help for all your purchasing and fitting needs. This catalogue will help you explore Brazilian T2 range, but our sales team are always on hand for more specific advice, quotations, and free material samples. Our customer service team can help with any issues you may have, using our years of experience in interior trim from development to production.

Complete Seats

We developed our brand new reclining seats with comfort, safety and style in mind. These seats benefit from extra lateral support, and a 7" front to back travel on seat slides, fully adjustable modern reclining mechanism and a twin post headrest for added safety.

You can customise these seats with your choice of colour, fabric, including some original cloths such as Westfalia and Inca cloth. You can opt for our top of the range GT seat with added base side roll support or our captain seat with brilliant captain arms. Subframes are simply bolted to your floor pan in minutes and the squab (back) can be fully folded down for extra space when camping. Driving a camper has never been as much fun.

THE STYLE IN THE LARGE PICTURE ABOVE IS TO GO HAND IN HAND WITH OUR SUFFOLK SEATS, PLEASE SEE THE SMALLER PICTURE FOR OUR NORMAL STYLE.

Please note that with these rock and roll covers we can only make the covers with the purchase of our foams or for use with your original flat foams, we are unable to make any covers to fit the humpy style foam.

We also offer an option where we can fit the covers to the foams for you, so all you have to do is slot the new Rock and Roll into place and you're ready to go.

All dimensions will need to be confirmed at the time of purchase. Please allow for up to 6-8 weeks for completion.

Please note that we can recover other bed types as well, for example the Bluebird, Rusty Lee and other conversions. All we require is for the boards to be sent to us.
