Complete Seats

We developed our brand new reclining seats with comfort, safety and style in mind. These seats benefit from extra lateral support, and a 7" front to back travel on seat slides, fully adjustable modern reclining mechanism and a twin post headrest for added safety.

You can customise these seats with your choice of colour, fabric, including some original cloths such as Westfalia and Inca. You can opt for our top of the range captain seat with armrests. Sub-frames are simply bolted to your floor pan in minutes and the squab (back) can be fully folded down for extra space when camping. Driving a camper has never been so much fun!

Bench Seats and Westfalia Rock and Roll Beds

As part of our product range for the Early T4 Westfalia camper van, we are offering this OEM style rock n roll bed cover kit. Made in all cloth or vinyl, this will truly help refresh the living area of your pride and joy. This 3 piece set includes bench seat covers and a cover for the rear foam that completes the bed set up. Please note that due to how it was made originally in the factory, you will ideally need access to a staple gun to fix the rear bench cover, or alternatively source a local trimmer to undertake the work.
