

RHINO BAND LIVE WALLPAPER INSTRUCTIONS

Step 1: Purchase the item (be sure to add your phone number in the shipping information).

A text message will be sent to the phone number on record (iPhones only).

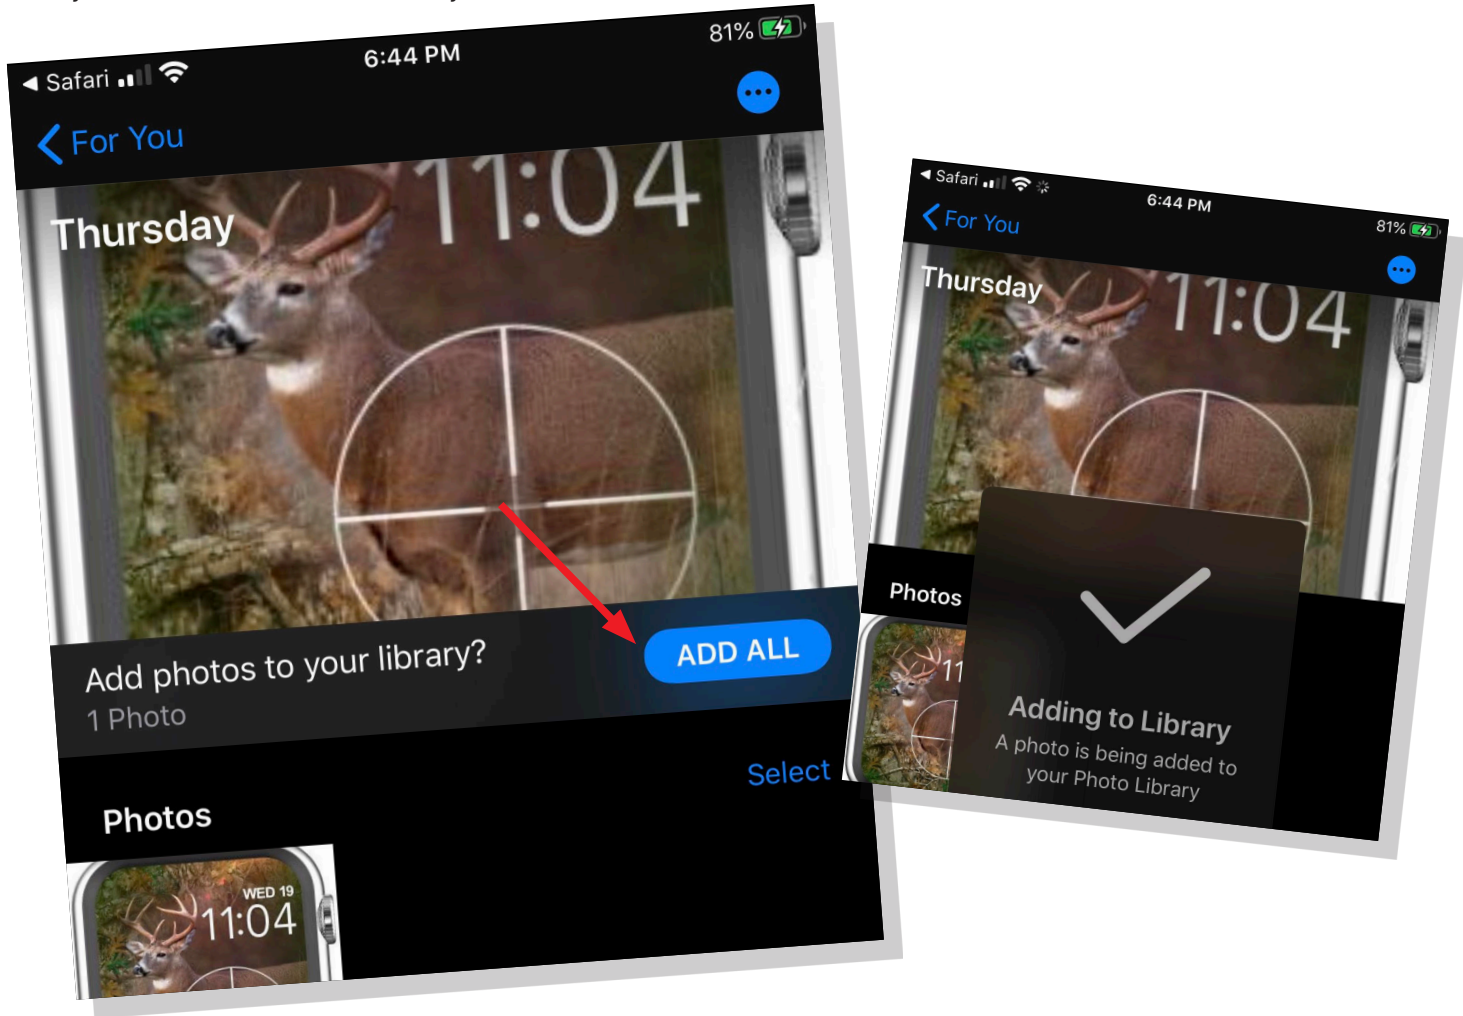

Click the first hyperlink in the text message to download your Live Wallpaper.

Click the second link for installation instructions.

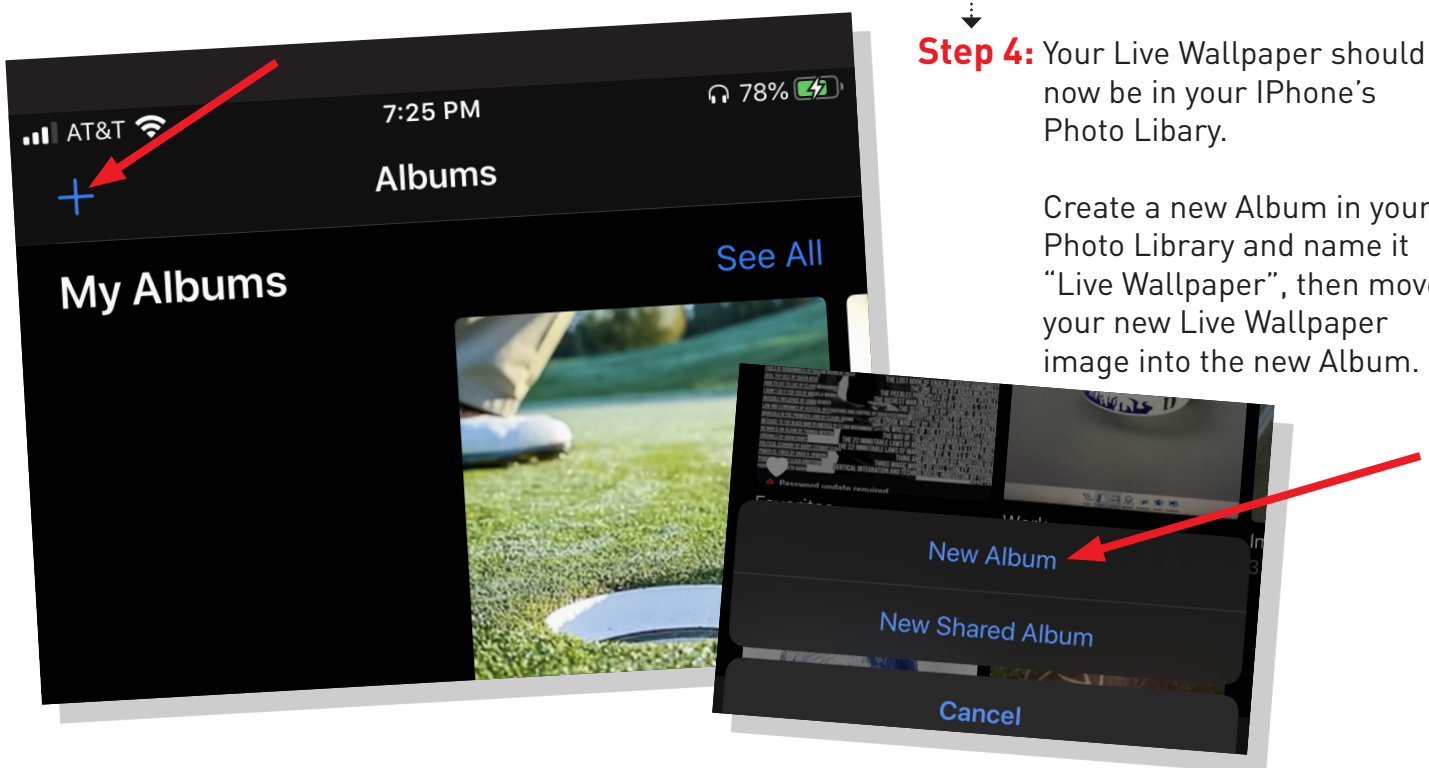

Step 2: After clicking the hyperlink in the text message, you will likely see a screen like this. Simply click the "Open" button.

Step 3: Click the “ADD ALL” button to download the Live Wallpaper to your iPhone’s Photo Library.

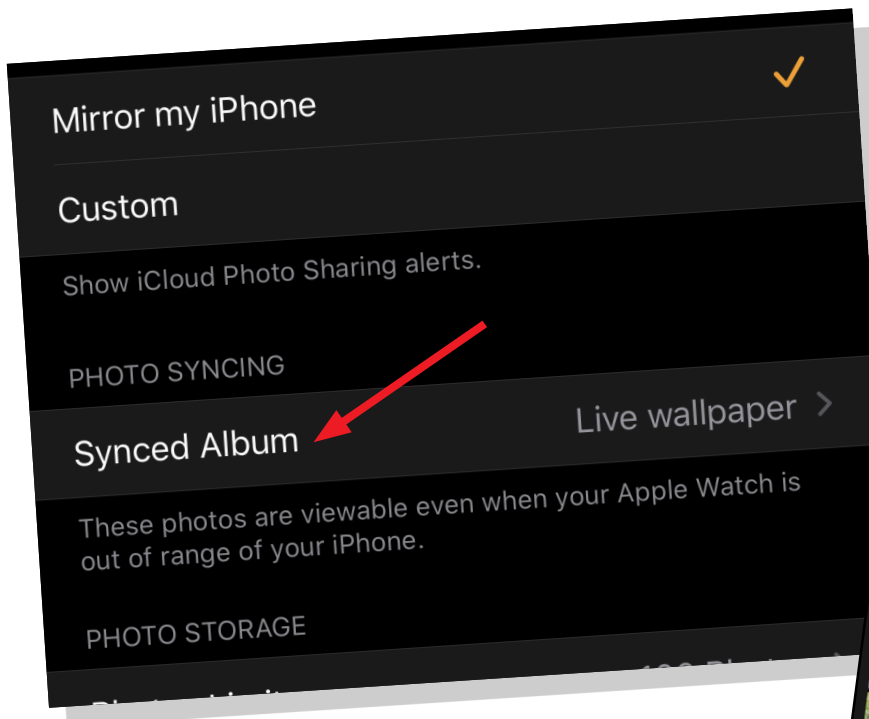

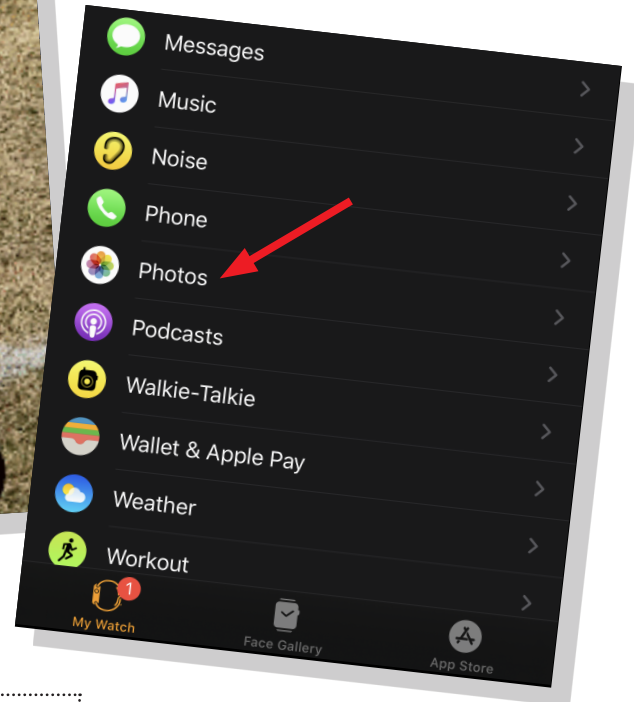

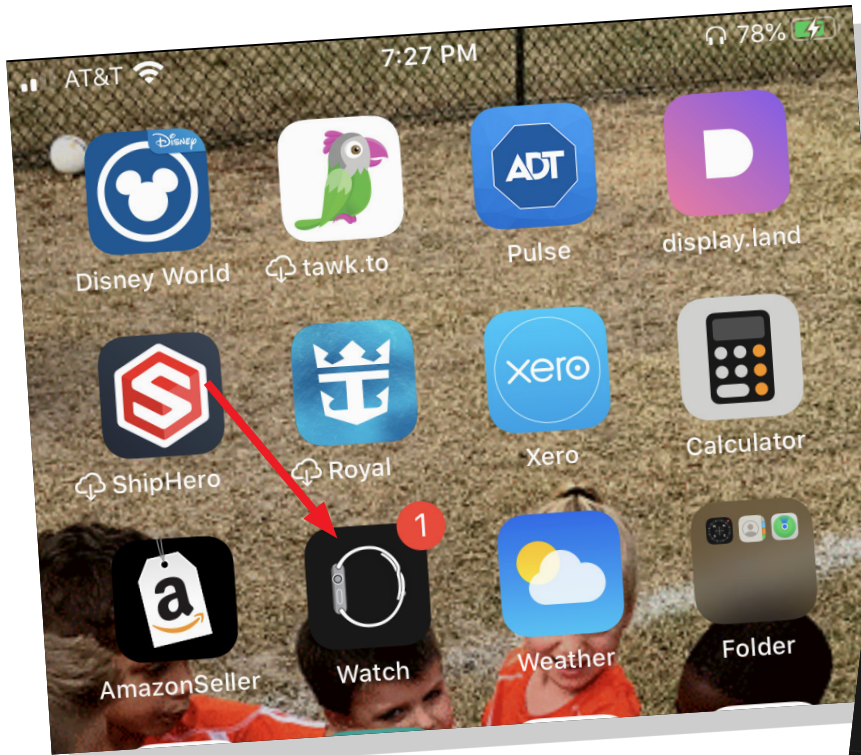

Step 4: Your Live Wallpaper should now be in your iPhone’s Photo Library.

Create a new Album in your Photo Library and name it “Live Wallpaper”, then move your new Live Wallpaper image into the new Album.

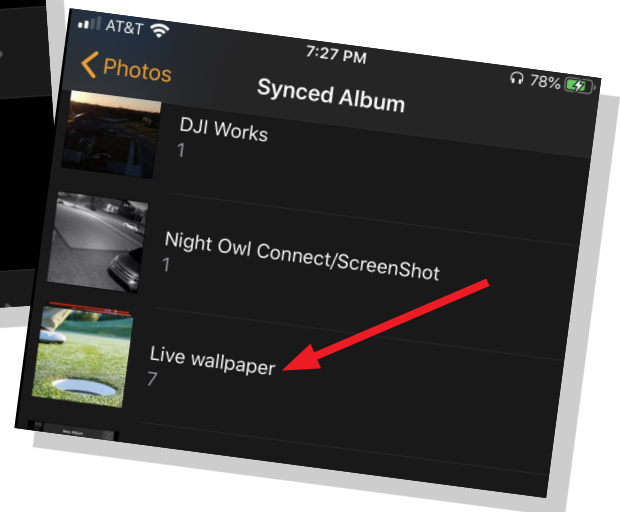

Step 5: Open the “Watch” app on your iPhone and scroll down to the “Photos” tab.

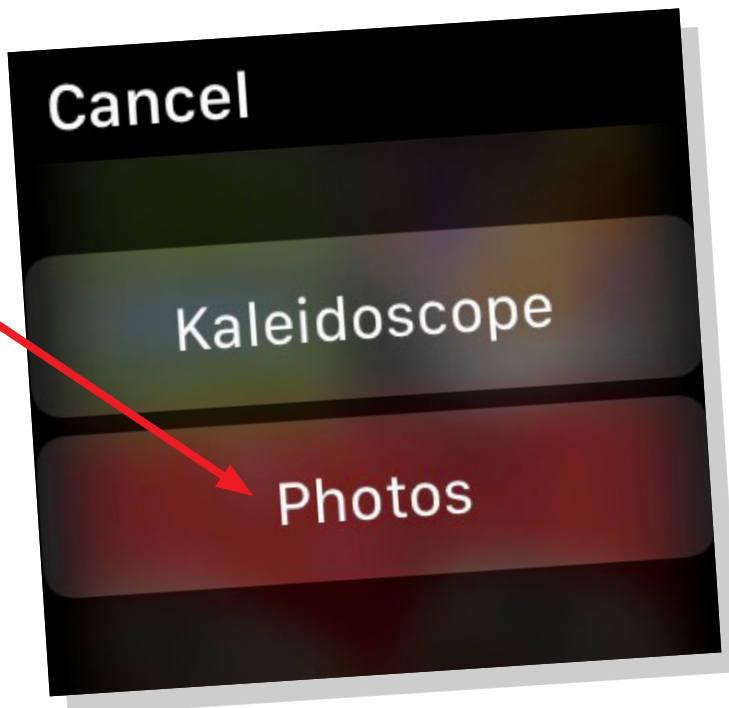

Step 6: Click the “Synced Album” tab and select the new album (“Live Wallpaper”) that you created in step 4.

This will sync the new Album and its contents for use on your Apple Watch.

Step 7: Open the “Photos” app on your Apple Watch and hard press the image that you would like to make your Live Wallpaper until you see the screen that says “Create Watch Face”.

Step 8: Tap the “Create Watch Face” screen and choose “Photos”.

Your selected watch face image should now become your Live Wallpaper on your Apple Watch.
