## Sheet 1 (face)

Print on A3 paper, 2-sided print without scaling, with flip on the short edge.

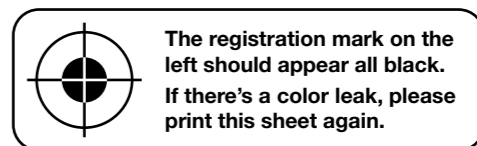

Cut along the dashed white lines. In case you have a paper trimmer, you can use the trim marks first and then round the edges on hand.

The registration mark on the left should appear all black. If there's a color leak, please print this sheet again.

**Sheet 1 (back)**

Find a co-founder or if you have one kick his ass and remind him it is also his company.
