

## ICON HV - 2 GROUPS

**MAKE YOUR COFFEE ICONIC** Icon is a reliable espresso machine that can make excellent and consistent espresso throughout the day; the answer to what operators need during their busiest hours to provide impeccable beverage quality with minimum effort.

**RELY ON THE DC SYSTEM** The Milk Control System (MCS) technology makes Icon an ideal candidate for the training issues and varying business peak times in the HORECA market.

**YOUR BRAND, YOUR ICON.** Light lines and geometric cuts for the side panels create stunning visuals in the single, stainless-steel exterior.
