

VERSE 1

Sometimes people don't get along and they create two sides.
Claiming what's right and who is wrong – there is such a divide.
With hope we can remember we're all a global family.
Let's choose to live peacefully.

CHORUS

(Let's ripple) love, kindness, and peace.
We are the hope.
Love, kindness, and peace – it starts with you and me.
Love, kindness, and peace.
Let's ripple love, kindness, and peace.

VERSE 2

In every country all around the world, there are people like you and me.
Everyone's living their lives and enjoying their friends and family.
Even as we're different we all want the same thing – to live peacefully.

REPEAT CHORUS

BRIDGE

It doesn't matter how old you are.
Everyone can make a difference in this world.
We are love, we are kindness, and we are peace.
We are the hope for humanity.
All goodness starts with you and me.
We are the hope for humanity.
Let's ripple love, kindness, and peace.

REPEAT CHORUS
