Louise
KOOL & GALT

Opening a new classroom or enhancing an existing care space can get a little overwhelming. LKG can help with the expertise and service you need to realize an inspiring learning environment.

Ships Assembled: The vast majority of our furniture arrives assembled. This saves you time and professional construction assures long-term durability.

Reliable fulfillment: From province wide implementations to furnishing classrooms in fly-in communities, put our vast implementation experience to work for you. We organize your shipment so that your goods arrive when you need them, from one source, in a way that makes it easy to get your space ready.

Discounts: We'll devise and revise custom quotes with scaled pricing and a discount structure appropriate for your project.

As an education consultant working with many different early childhood programs, I rely on the expertise and resources provided by Louise Kool & Galt. Their products are top-notch and the customer service goes well-beyond expectations!
