

# Infant Toddler Mixed Room

Louise  
**KOOL & GALT**

A versatile room with plenty of flexible, open space for Infants and Toddlers.

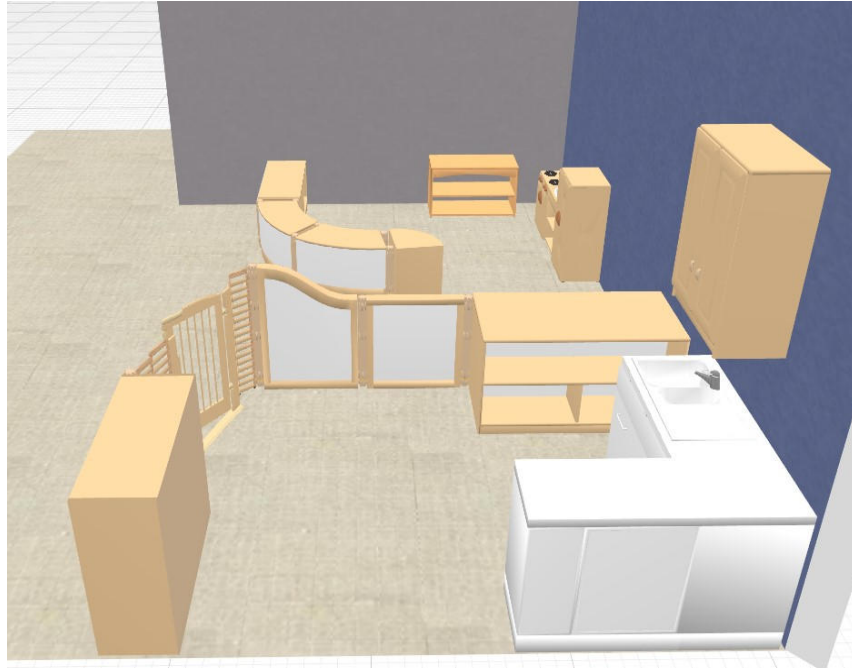

The **Curved Storage** is just the perfect height for standing and balancing. The **Translucent Back sweep shelves** have beautiful smooth curves and divide open areas to create inviting play spaces.

This room has plenty of storage options **Toddler Storage Island, Adjustable Shelves, Translucent Fixed Shelf, Corner Shelf** and more for efficient storage of essentials as well as toys, books, loose parts and more.

The room has every toddler's dream **Kitchen**—the 18" working height, clicking knobs, and a faucet that swivels invite concentrated role play. Units lock together with a unique childproof/teacher-friendly connector and can be rearranged easily.

The **Adjustable Narrow Gate** along with the **Clear panels** help divide the kitchen area from the play space. The durable clear acrylic panel provides excellent visibility for areas that require close supervision.

The **Wall mounted cabinet** keep storage items tidy and organized and is lockable.
