Outlast's toxin-free acetylated wood is lifetime warrantied for all Canadian seasons. Adaptable for excellent long-term value, you can easily add to your collection over time. And unlike fixed structures, you can take Outlast with you if you ever need to move.

1. Heavily rounded edges for safety.
2. UV resistant rubber leaves no exposed end grain to split or splinter.
3. Waterproof wood that's smooth enough to draw or write on.

Water, sand, stones, snow, ice... whatever your children mix, Outlast Mud Kitchens and Water Tables won't rot, split or warp. They're warrantied for life!

Unlike static climbers, with Outlast children build their playground!

Proportional design and a knob and hole system makes cooperatively engineered multi-level structures easy and fun.

Interlocking blocks, planks, and ramps make structures stable on uneven ground.
