Japanese Edible Gold & Silver

ORIGINAL ARTISAN GOLD

Have you ever wondered if there was an even better way to decorate edible gold & silver?...

Working with edible leaf is extremely delicate, suffering from wrinkling, tearing, sticking to fingers, or clumping...

Creating your finest art is lost when it becomes unrealistically difficult or just takes too long to do...

We discovered by changing the way edible gold & silver is created removes these delicate frustrations.

Now experience ease of use anytime, every time.
Used by bakeries, confectionary makers & hotels

FLAKES

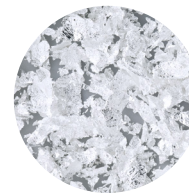

Ready to use curved cut leaf.
We provided an ultra fine bamboo tweezer that is best suitable for handling & easier than gloves and brushes.
