

HAPPS
MARGARET RIVER

HAPPS IS A FAMILY-OWNED, AWARD-WINNING WINERY.
We're passionate about crafting engaging wines that bring people together.

PRESERVATIVE FREE WINES

Wine at its Naked Best

We've been making wines free of preservatives since 1987 at Happs.

These wines contain no added sulphite, unlike organic, natural, and biodynamic wines which typically rely on it in their production.

We created these wines with a view of making wine accessible to everyone, including those with sulphite intolerances. They are made with uncompromising quality.

Preservative Free Pink

Life: Designed for early summer drinking but can be expected to remain fresh and vibrant over a minimum of two years.

Current Release: 2022 Vintage

Viticultural & vinification notes

VINTAGE CONDITIONS	A mild and wet spring was followed by hotter than average temperatures over summer particularly around Xmas which resulted in distinctively riper fruit flavours.
VINEYARD	Three Hills Hand pruned to rods Hand Picked
GRAPE VARIETIES	61% Merlot. 20% Viognier + 19% Muscat
MATURATION	In stainless steel, and bottled under screw cap
WINE ANALYSIS	Alc/Vol: 13.1% Acidity: 5.3g/l pH: 3.23 Residual Sugar: 0.2g/l

Winemaker Mark Warren's comments

COLOUR	Pale salmon pink
NOSE	A pretty aroma of rose petal, musk stick, red cherries and strawberry yoghurt with notes of lemon curd, lanolin and brioche that are derived from the wines malolactic fermentation.
PALATE	An attractive textural wine with a freshness and vibrancy that indicates it has avoided the harmful effects of oxidation. The flavour profile is all about red berries, strawberry and lime juice with hints of apple pie, marmalade and pastry. and mouth-watering.
