ESPRESSO FOR HOME

Espresso For Home covers everything you will need to start making espresso-based beverages at home - the standard coffee menu, espresso preparation and milk preparation.

Duration: 120 minutes
Price Per Pax: \$145

ALTERNATIVE COFFEE BREWING

Alternative Coffee Brewing covers non-espresso machine brewing methods such as the Pour Over and the AeroPress. At least 3 different methods and 3 different coffees will be taught in the workshop.

Duration: 90 minutes
Price Per Pax: \$160

LATTE ART

Latte Art focuses on the foundations of milk technique required to hone your latte art skills. Steaming and pouring technique will be covered until you have achieved the patterns required.

Duration: 180 minutes
Price Per Pax: \$210

ROASTING TOUR

The Roasting Tour gives you a behind the scenes look on the process that goes on before the coffee is brewed in the cafe. You get to experience an entire production roast during the tour. Every participant brings home a bag of coffee.

Duration: 90 minutes
Price Per Pax: \$26

COFFEE APPRECIATION & CUPPING

Duration: 60 minutes
Price Per Pax: \$50

Coffee Appreciation & Cupping gives you a broad overview of the Specialty Coffee industry. It is a discussion-focused workshop and we will end off with a tasting of several different coffees.

SCAE CERTIFICATION - INTRO TO COFFEE

This certification module is ideal for anyone who is new to the industry or just has an interest in coffee. This workshop covers all topics related to coffee from sourcing down to brewing. An examination is conducted right after the workshop.

Duration: 240 minutes
Price Per Pax: \$190
