

AroMini

BLUETOOTH MODULE MANUAL

Fragrances for Living

To begin, simply plug in the BlueTooth Module to your Aromini to begin using.

Please download and install our Scenting App from the App Store or Google Play Store.

Scenting

Available on the
App Store

Available on
Google Play

Before opening the Scenting app, turn on your Location Services.

Location Services can be found in the settings of your smart device.

For iPhone:

1. Go to Settings > Privacy > Location Services.
2. Make sure that Location Services is on.
3. Scroll down to find the app.
4. Tap the Scenting app and select option:
 - a. While Using the App:
Allows access to Location Services only when the app or one of its features is visible on screen.
 - b. Always: Allows access to your location even when the app is in the background.

For Android:

1. Go to Settings > Location Services or Location Access.
2. Turn Location Services is on.
3. Scroll down to find the app.
4. Tap the Scenting app and enable Location Services.

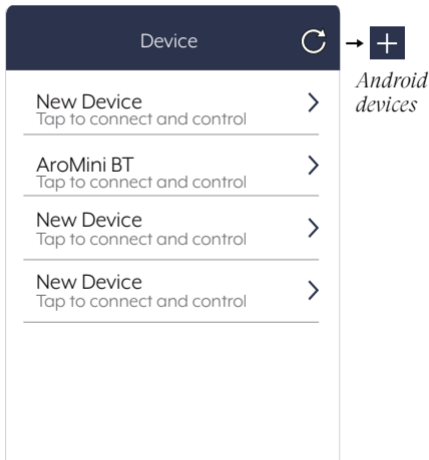

Please make sure if you are able to set the "Mode" or Location services to be "High Accuracy"

*Note: Each Android device may vary -- like Samsung vs Nexus -- so if you're unable to find your Location Services settings, please see your phone's manual or support site.

Turn on BlueTooth on your smart device and continue with the following instructions:

Connecting To Bluetooth

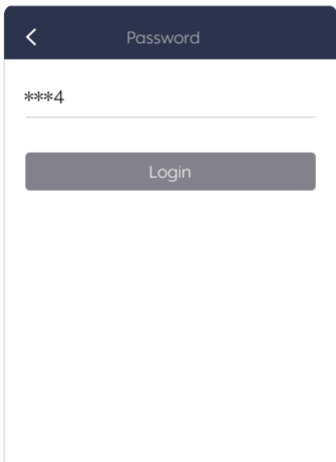

1. Open the Scenting App.
2. Find the AroMini BT on the list of available Bluetooth devices.

3. Enter the default password:

1234

and press **“Login”**

The screenshot shows a mobile application interface for entering a password. At the top, there is a dark blue header bar with a white back arrow on the left and the text "Password" in the center. Below the header, the password field contains the text "***4", indicating that the first three characters are hidden. A horizontal line is positioned below the password field. At the bottom of the screen, there is a large, rounded rectangular button with a dark gray background and the text "Login" in white.

4. Adjust the schedule as desired.
Add multiple start and stop times
and change days of operation.

**You can set upto 5 ON/OFF events.*

The screenshot shows the 'Diffuser control' app interface. At the top, there is a dark blue header with a back arrow on the left, the title 'Diffuser control' in the center, and a 'Save' button on the right. Below the header, there are two tabs: 'Settings' (which is selected and underlined) and 'About'. The main content area is divided into several sections:

- Name:** A text input field containing 'AroMini BT'. An arrow points from the text 'Device Name' to this field.
- Location:** A text input field containing 'Living Room'. An arrow points from the text 'Notes' to this field.
- Diffusing Schedule:** A section header with a plus sign icon to its right. An arrow points from the text 'Add to Schedule' to the plus sign.
- Event 1:** A row containing the time '7:30 - 20:30', the intensity 'Intensity: 5', and a toggle switch that is currently turned on. An arrow points from the text 'ON/OFF' to the toggle switch. Below the time, the days 'Sun Mon Wed Thur Fri Sat' are listed.
- Event 2:** A row containing the time '00:30 - 08:30', the intensity 'Intensity: 8', and a toggle switch that is currently turned on. Below the time, the days 'Tue Thur Sat' are listed.

5. Tap Save to lock the settings before exiting.

The screenshot shows the 'Diffusing Schedule' settings interface. At the top, there is a dark blue header with a back arrow on the left, the title 'Diffusing Schedule' in the center, and a 'Save' button on the right. Below the header, the settings are organized into sections. The first section is for 'ON time' and 'OFF time', each with a vertical list of four options: 05 28, 06 29, 07 30, and 08 31. An arrow points to this section with the text 'Slide up and down to adjust'. The second section is 'Set Days', featuring seven buttons for the days of the week: Sun, Mon, Tue, Wed, Thur, Fri, and Sat. An arrow points to these buttons with the text 'Activate day of the week'. The third section is 'Intensity to adjust', which includes a minus sign button, the number '5', and a plus sign button. The fourth section is 'Custom', with an unchecked checkbox and the label 'Custom'. An arrow points to this section with the text 'Select grade (1-10)'. The final section is for working time, with two columns of numbers: 'Start working time' (1, 2, 3, 4) and 'Stop working time' (5, 6, 7, 8). An arrow points to these numbers with the text 'Slide to adjust working and pause seconds'.
