

April, 19th 2019

Arrowhead Coffee Company,

We would like to express our sincerest appreciation for your very generous donation of \$200.00 and your enduring support of \$1,200.00.

Those who serve can depend on The V-42 Foundation to take care of their families and to remember all they do in defense of what makes this nation great. It is their unparalleled selflessness that inspires us to help however we're able and to honour their service to Canada and to each other.

Your timely support will enable us to be a source of enduring support to all those who have served in the Canadian Special Operations Forces Command by providing assistance to members and families in need, offering educational scholarships, and career transition services.

Please do not hesitate to contact me if you have any questions or concerns regarding The V-42 Foundation.

Yours truly,

A handwritten signature in black ink, appearing to read "Sarah Hodder", written over a horizontal line.
