Warranty:

Lowtemp Industries, LLC ("Lowtemp") proudly upholds our commitment to quality. Lowtemp warrants the products it manufactures to be of good quality material and workmanship, and to be free of defects when properly installed and operated for a period of ONE YEAR from the date of purchase. Further, electronics and motor components are covered for TWO YEARS from the

date of purchase, and an unlimited time period related to the metal and welds on the product purchased with normal wear and tear excepted. Remedy for breach of this warranty is limited to repair or replacement of the defective item(s). Any product which, under normal use and service for its intended purpose, is proven to breach the warranty contained herein will, upon examination by Lowtemp and at its sole option, be repaired or replaced by Lowtemp. Transportation costs and charges for returned goods shall be the responsibility of and paid for by the purchaser. Lowtemp hereby disclaims responsibility for such transportation costs and charges. This warranty will not be breached, and Lowtemp will give no credit for products it manufactures or otherwise offers for sale which have received normal wear and tear, been damaged (including acts of nature), tampered, abused, improperly installed, operated or attempted to be operated in a manner or purpose not designed for or intended for use, damaged in shipping, or repaired or altered by others than Lowtemp or its approved and authorized representatives of Lowtemp.

The above-described warranty is expressly in lieu of all other warranties, express or implied, and all other warranties are hereby expressly disclaimed, including without limitation the implied warranty of merchantability and the implied warranty of fitness for a particular purpose. Lowtemp expressly disclaims all liability for special, consequential or incidental damages, whether arising in tort or by contract from any breach of this warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Lowtemp further disclaims all liability from personal injury relating to its products to the extent permitted by law. By acceptance of any of Lowtemp's products, the purchaser assumes all liability for the consequences arising from their use or misuse. No person, firm or corporation is authorized to assume for Lowtemp any other liability in connection with the sale of its products. Furthermore, no person, firm or corporation is authorized to modify or waive the terms of this paragraph, and the preceding paragraph, unless done in writing and signed by a duly authorized agent of Lowtemp. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Terms and Conditions:

1. Machine will arrive in a fully enclosed wood crate on a pallet with tip sensors, shock sensors, and insurance. It will be on casters, strapped to the floor, ready to roll out of the crate. The crate is equipped with a side wall that turns into a ramp for the machine. Drill required.
2. Lowtemp has the right to make small adjustments to the betterment of the design of the washing machine.
3. The approximate weight of the system with the crate will be around 1,000lbs total. Residential shipping is available but will be more expensive since a liftgate is required. Loading dock or forklift is advised. Pallet Jack is advised.
4. The packaging and final assembly of this machine will require 2 people minimum for safe operation/setup.
5. All sales are final once the product has been shipped/received. No returns will be allowed due to the nature of the product.
6. The customer claims any and all responsibility in use with this product.
