Thalamus' C64 classic Snare arrives on Evercade, challenging you to think and fight your way through twenty levels of tricky maze action. Can you discover the secret that billionaire Andre Thelman concealed at the centre of the Snare?

RETROGRADE
Genre: Action
Players: 1

Retrograde, Thalamus' spiritual successor to C64 classic Cyberdyne Warrior, comes to Evercade! Battle through the seven conquered planets of the Thwok system in an attempt to save your home from certain doom.

CREATURES
Genre: Platformer
Players: 1

One of Thalamus' most famous games comes to Evercade! Guide Clyde Radcliffe the Fuzzy Wuzzy on a quest to save his people from the demons who have captured them. Bounce through scrolling platformer stages, then puzzle your way out of the diabolical torture chambers!

SUMMER CAMP
Genre: Platformer
Players: 1

Maximus Mouse has a problem in this classic Thalamus C64 platformer for Evercade. The Stars and Stripes flag has been stolen! It's up to our hero to recover it across four huge levels of platforming, puzzling action.

HEATSEEKER
Genre: Platformer
Players: 1

Widely regarded as one of Thalamus' most peculiar and intriguing C64 games, Heatseeker places you in control of the Leg and the Ball in a quest for thermal energy. The people of Tantris are relying on you to save their planet from environmental disaster!

CREATURES II: TORTURE TROUBLE
Genre: Platformer
Players: 1

The follow-up to the classic Creatures once again tasks Clyde Radcliffe with saving the Fuzzy Wuzzies from the demons' diabolical torture chambers. Enjoy Thalamus' mastery of the C64 with this challenging puzzle platformer!

WINTER CAMP
